

WEATHERFORD TO ADDRESS VOTERS OF MEDFORD TONIGHT

Mark Weatherford, democratic-prohibition nominee for congress, arrived in Medford Monday morning and spent the day meeting voters. He expressed himself as much disappointed over the refusal of Congressman Hawley to debate political questions with him, but will speak to Medford voters at the Natatorium at 8

Mark Weatherford.

o'clock this evening. He states that he is confident that Wilson will carry Oregon, while his own chances of election are excellent.

Congressman Hawley also arrived in Medford, but will make no speech here. He will talk at Ashland tonight.

Two hundred cheered the Wilson speakers at Talent Saturday evening, speeches being made by Judge Crews, Miss Marian Towne, Mrs. Louis J. Alving and E. E. Kelly. At Trail, Porter J. Neff addressed nearly a hundred voters for over two hours. At Lake Creek, Fred Mears held a Hughes rally.

Messrs. Neff and Kelly will speak Tuesday evening at Phoenix, Thursday at Willow Springs, Friday at Lake Creek and Saturday at Agate.

An urgent appeal for contributions to the Wilson cause is made by Chairman W. N. Campbell.

STORY OF EUROPEAN WAR M. E. CHURCH TONIGHT

At the Methodist church Monday evening at 8 o'clock Rev. John Lewtas a war correspondent who returned some time since from the war zone will deliver his great war lecture which is illustrated by more than 200 original colored views.

Mr. Lewtas is a world wide traveler and long while lecturer of marked merit. On this recent trip abroad he had unusual facilities for getting to the front and his lecture is a marvelous presentation of this terrible fratricidal conflict.

The public is cordially invited to hear this lecture both for instruction and entertainment. The subject matter is valuable and the views the selections of an eye witness.

An offering will be taken at the door of 25c for adults and 15c for children.

GERMANS CAPTURE CONSTANZA

(Continued From Page One)

line, finally reaching it on its easterly end at Constanza.

Cuts Off Russian Aid

Constanza has been notably useful in offering a seaport and railway entrance for Russian troops and ammunition sent to the aid of Rumania. Its capture cuts off the most convenient water route for Rumanian replenishment, especially in munitions, of which the Rumanians have been reported badly in need. Possession of the entire line would give the Teutonic allies the easiest road to interior Rumania from the southeast over the Tebernavoda bridge.

Constanza is Rumania's greatest maritime port, and its harbor works have been extensively developed. The city was partially rebuilt when Dobruja was ceded to Rumania in 1878. It has been the base of the Rumanian Black sea squadron. The city before the war had a population of about 13,000.

ROOTERS PLAN TO SUPPORT TEAM IN KLAMATH GAME

At a stirring rally held this morning in the high school, enthusiasm for the game to be played with Klamath Falls next Saturday was brought to a high pitch. A Loyal Rooters' club, with a membership limited to twenty-five, was formed. This organization will meet three times a week after school hours and perfect themselves in the high school songs and yells, and at games they will be provided with megaphones, forming the nucleus for Medford rooting.

Klamath Falls defeated Grants Pass last Saturday by the score of 54-0. Medford defeated Grants Pass 13-0 and was saved by the call of time from a touchdown by Grants Pass. The comparative scores indicate that Medford must play the game of her life in order to hold her own.

The two teams are evenly matched as regards weight. Klamath Falls may be expected to win by hard fighting, her team putting up a scrap every minute of play. The style of game they use is that originated by Coach Heddek of University of Oregon and known as the tandem wedge. This system is being introduced in Klamath Falls by the new coach, Chester Huggins, formerly a star of that school.

All this week an effort will be made to have two Medford teams on the field. There will be scrumage every night, an effort being made to improve the team's tackling, the efficiency of which will tell the tale in the coming game. Hard tackling alone can break up the tandem wedge formation.

Mr. and Mrs. C. B. Stout are tourist visitors in the city from Strom, Cal.

KEEP LIVER ACTIVE AND BOWELS CLEAN WITH "CASCARETS"

Best When Bilious, Sick, Headachy, Constipated, or for Bad Breath or Sour Stomach.

Be cheerful! Clean up inside tonight and feel fine. Take Cascarets to loosen your liver and clean the bowels and stop headaches, a bad cold, biliousness, offensive breath, coated tongue, sallowiness, sour stomach and gases. To-night take Cascarets and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. Wake up feeling grand—Everybody's doing it. Cascarets best laxative for children also. (Adv.)

Following is a partial list of the owners and users of Corona Typewriters. Some of these machines have been used four years. One owner tells us he has used his machine from 5 to 7 hours a day for weeks at a time and has never had but one adjustment. We give a free service on all Corona machines purchased from us or not.

George B. Carpenter, Horticulturist, E. A. Welch, Manager Medford Grocery Co.

Dr. Lawrence Hill, F. Corning Kenley, Horticulturist, Chas. Fajonoff, Steward Country Club.

Fred Baltz, R. R. E. & Pro. Assn. J. D. Carman, Pass. Conductor S. P. Ry.

Louis Brochon, Traveling man, F. W. Whitman, Horticulturist, C. M. Holdridge, Talent, Oregon.

PAVING BOND INTEREST FIGURES IN CITY BUDGET

Three plans have been prepared by City Recorder Foss for the use of the budget committee in fixing the tax levy for the city of Medford. These plans set the levy at respectively 26, 26.3 and 28 mills. The first of the plans is recommended to the committee by the recorder.

The first plan requires the raising of \$102,395.85. The levy will be divided as follows: 11.1 mills for interest, 4.6 mills for sinking fund and 10.3 mills for city purposes. This plan represents the lowest levy that can consistently be made, according to Recorder Foss, and as high as is advisable until the paving controversy is settled.

The second plan provides for raising \$103,453.85 with a levy of 26.3 mills, divided as follows: 3.6 mills for interest, 12.4 mills for sinking fund and 10.3 mills for city purposes. This plan is worked out on the assumption that a settlement will be made of the city's special assessment debts, which includes pavement, sewer and water mains. It assumes that 75 per cent of the interest on the paving debt will be collected and 90 per cent each on the sewer and water main.

The third plan provides for the raising of \$109,176 with a 28 mill levy divided as follows: 10.3 mills for in-

terest, 7.4 mills for sinking fund and 10.3 mills for city purposes. This plan is worked out on the assumption that interest on paving, sewer and water main debts will be paid at the same rate as last year.

Another plan which has been prepared for the purposes of comparison and shows the levy should be brought to the figure they should have, is prohibitive and cannot be considered except for purposes of comparison.

Last year \$88,058.43 was raised with a 21-mill levy, divided as follows: 10.3 mills for interest, 7 mills for sinking fund and 10 mills for city purposes. The sum necessary for city purposes is this year really lower as the valuation this year has materially decreased.

SUNDAY SCHOOL WORKERS INSTITUTE

Closely following the Sunday school convention, just closed in our city, it is announced to begin today a Sunday School workers institute in the local Baptist church.

Dr. J. D. Springston, a Sunday school specialist of the northwest, will be in charge and a profitable institute is assured.

All Sunday school workers of all churches in the city are invited to attend all the sessions, which will be held each evening and each afternoon.

The subject this evening will be "The Psychological Basis for the Graded Sunday School."

PRESENT OFFICERS EPISCOPAL MISSION BOARD RE-ELECTED

ST. LOUIS, Mo., Oct. 23.—The house of deputies of the Protestant Episcopal convention today concurred with the house of bishops in re-electing the present officers of the board of missions.

The opposition to re-election was based on the action of the board of missions in sending delegates to participate in the Panama conference on South American missions. Representatives of different protestant churches participated in this conference and objection was made to the representatives of the board of missions of the Episcopal church taking part.

The present officers were re-elected by a vote by dioceses and orders in the house of deputies: Yeas, clerical, 44 1/2; lay, 26 1/2; nays, clerical, 21 1/2; lay, 13 1/2. Divided, clerical, 6; lay, 4.

Rev. John Williams of Omaha said the opposition was directed at the head of the board, Bishop Lloyd.

The matter of changing the name of the church was brought before the house of deputies today by Rev. Martin Agner of Erie, Pa., who asked that the title page of the prayer book be changed to read: "The Holy Catholic Church," according to the usages of the Protestant Episcopal church.

FIRST SUGAR IS MADE IN VALLEY

With the blowing of the factory whistle at 7 o'clock this morning, operations started at the Grants Pass plant of the Utah-Idaho Sugar company. The beets have been shipped to the factory for the past two weeks and Saturday night the bins were practically filled.

A small army of men is on the payroll of the company, the plant being run with two shifts of men. The capacity of the plant will be two carloads of sugar a day.

There has been a considerable rivalry to determine who will have the first sack of sugar, it finally being assigned to the Portland Commercial club.

The season for the factory is expected to be short this year. However, officials of the company announce that with the putting of an increased acreage under water this fall that the plant will, in all probability, be able to nearly double the length of its run next year.

The new grand jury met Monday, returned one true bill against John Doe for hog stealing and adjourned. The circuit court term adjourned, without trying a case, for the first time in history.

This resolution was referred to a committee, where it probably will remain.

BAD BREATH Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 50c and 25c per box. All druggists.

TWO TRIPS DAILY -BETWEEN- MEDFORD and EAGLE POINT

S. H. Harnish's auto will leave Eagle Point at 8 A. M. and 1 P. M. daily, except Sunday; leave Medford at 9 A. M. and 5 P. M. Will call for passengers at hotels in Medford and hotels and business houses in Eagle Point.

PHONE 3-X2 OR 8-X3.

Special Offering of Women's New Coats for Three Drys—Tuesday, Wednesday, Thursday—Oct. 24, 25 and 26

50 New Coats Will Be Placed on Sale Tuesday Morning. Prices \$10 to \$35

Individual Styles Characterize the New Coats Shown at This Store

And though styles are individual, notable values predominate. An exorbitant price ticket is never allowed to become attached to a coat in this store merely because styles are exclusive. Please bear that in mind at all times.

In regard to the new coats, we might describe each coat in detail, but even then you would be unable to picture just how smart and good-looking they are. The better plan is to come into the store, see the coats, try them on and realize to your own satisfaction the individuality of the style and exceptional values.

Prices range from \$10.00 to \$35.00

Cut Prices on all Misses' and Children's Coats This Week

Millinery Specials for This Week

All Soft and Felt Hats
