San Felice Standard to Be Maintained, Say Makers

All Dealers Now Sell Famous Cigar at 5c Straight. In Effect Today.

Owing to the greatly increased cost of quality tobaccos, in fact everything pertaining to high grade cigars, the makers of the San Felice cigar, the Deisel-Wemmer Company, have advanced he selling price to the Jobbers and Dealers, and henceforth the cigar will positively be sold to the consumed at 5 cents straight instead of six for a quarter as previously.

The San Felice is national in its scope and character, having justly attained this eminence through its unexcelled excellence. To maintain this unequaled standard of quality, the advance in question is absolutely unavoidable. The generous support of all men using quality cigars is earnestly desired.

WHY?

NOW TIME TO TRADE.

I have a 160-acre stock ranch; good location; 100 acres in grain, some alfalfa. This place recently sold for $12,000; no incumbrance. Will trade for good orchard, prefer pears, or would take city property. Would trade even or assume some incumbrance on orchard proposition.
