

WILSON LEADS IN POSTAL POLL BY HEARST PAPERS

NEW YORK, Oct. 25.—The nation wide presidential postal card poll undertaken by the New York American and associated newspapers already has reached proportions far in excess of the expectations of the many readers who have written to express the appreciation of so comprehensive a straw vote.

Each mail brings hundreds of postal cards that have been mailed to registered voters throughout the eastern states, while the ballots collected by associated newspapers from coast to coast are being wired to New York city hourly. Already these votes are nearing the 150,000 mark and they are growing hourly.

So far Mr. Wilson has a clear lead over Mr. Hughes, the figures being based on the 22 states where the postal poll is being conducted. The most surprising showing the democratic candidate has made is in Ohio, where he has a clear lead over his republican rival.

The shift from Taft to Hughes is about as might have been expected, but many more Roosevelt votes are finding their way into the Wilson column than the most sanguine democrat might have expected.

The postal poll up to the present time gives Wilson 71,999 and Hughes 54,558, the largest ballot being polled in Ohio, which shows 47,093 for Wilson and 34,337 for Hughes.

HUGHES ELECTOR IN WEST VIRGINIA REFUSES TO RUN

CHARLESTON, W. Va., Oct. 25.—J. W. Dawson of Charleston, coal operator, tonight, in a letter to State Chairman Joseph H. Gaines of the Republican State Committee, asked that his name as a Hughes elector at large be withdrawn from the republican ticket.

"I have been a great admirer of Judge Hughes since the insurance investigation in New York years past," says Mr. Dawson in his letter. "I was for him originally when Mr. Taft was nominated and elected president, and at that time hoped to some day see Judge Hughes president of this country. But I was at Chicago during the republican convention in June; I have been a student of public questions since that time; I have read Mr. Hughes' public addresses with a great deal of anxiety; I do not find in them any good reason why we should change administrations at Washington at this critical period.

"And when summing up the entire situation I am convinced that a vote for Judge Hughes would, in fact, be assisting to turn over the United States and the destinies of these 100,000,000 people to the corrupt Old Guard, dominated, controlled absolutely by such men as Barnes, Penrose, Crane and Smoot, and I will never be a party to such treachery to our country."

CARDINAL STATES CATHOLIC CHURCH NOT IN POLITICS

NEW YORK, Oct. 25.—The New York World prints the following special dispatch from Baltimore:

"I never have heard until this moment that any Roman Catholic propaganda existed in Indiana or elsewhere in opposition to the re-election of President Wilson. I do not believe there is any truth in it. For myself, I am not in politics and I never have authorized any one to quote me as favoring either candidate for the presidency. Every Catholic voter has an inherent right to vote according to his own individual conscience, and I am sure that the Roman Catholic hierarchy of the United States would never interfere with that right."

In these words Cardinal Gibbons conveyed to a representative of the World today his answer to a persistent report that there is an organized movement under way to influence Roman Catholic voters against supporting President Wilson.

Many persons have written to Cardinal Gibbons since the presidential campaign opened inquiring regarding a report of an alleged act of discourtesy from the president. To these inquiries the Cardinal has replied repeatedly, both orally and by letter, that there is not a word of truth in the story. Yet letters are being received by the Cardinal almost daily asking as to the truth or falsity of these same rumors, which have been given such apparently wide circulation.
