The closeness of the contest may make the vote cast by Minnesota National Guardsmen at the Mexican border the deciding factor, professional observers believe.

MONTANA WOMAN DEFEATED AT POLLS

MISSOULA, Mont., Nov. 8.—Miss Jeannette Rankin may be buried under the Wilson landslide in Montana, early reports today indicate. Miss Rankin received a spectacular majority in the August primary and her election had been generally conceded. It appears that she has not been running much ahead of the republican ticket in eastern Montana, supposedly strongest of the republicans. Miss Rankin refused to talk of her political prospects today. "I am feeling very blue," she said.

LINER UNWARNED BY SUBMARINE

LONDON, Nov. 8.—The Peninsular & Oriental liner Arabia received no warning from the submarine which sank her in the Mediterranean on Monday, according to a statement issued this morning by the admiralty. All the 437 passengers, including 169 women and children, and all the crew with the exception of two engineers who were killed by the explosion, were saved by vessels which went to the rescue.

REPUBLICANS GAIN SEATS IN CONGRESS

NEW YORK, Nov. 8.—With 76 congressional districts to be cleared up, republicans have now gained 19 seats over the quota in teh present house while the democrats have gained ten, a net gain of nine for the republicans, which reduces the present democratic majority of 23 to 5.

Two democratic districts in New Jersey, now reported doubtful, if reversed, reduce the majority to one.

CLAIMS RE-ELECTION WILSON

(Continued From Page One.)

on the re-election of President Wilson," said Democratic Chairman McCormick in a statement issued at 4:30 o'clock. "I stick to my original figures that he has received at least 288 votes. I am sure he will carry some of the states that are still classed as doubtful. I have already congratulated the president over the telephone."

Attorney General Gregory went into conference with Chairman McCormick at democratic headquarters this afternoon. No statement was made as to the subject of the conference, but reports were current that the question of investigating the count in New Hampshire and other doubtful states was under consideration.

Claims Election.

NEW YORK, Nov. 8.—Democratic Chairman McCormick said early this afternoon:

"When the count is finished Wilson will have more than 280 electoral votes."

He added that his advices were that West Virginia had gone democratic by 10,000.

From O. K. Cushing, chairman of the democratic state committee of California, Chairman McCormick early this afternoon received this telegram:

"Count continues to increase our confidence that Wilson will carry state."

President Wilson is "absolutely re-elected," said Democratic Chairman McCormick shortly before 4 o'clock this afternoon. "The republicans can't land him by any combination of states that has made. We can lose Minnesota and California and still we will elect the president, but we feel confident we will carry both those states."

NEW YORK, Nov. 8.—In claiming the re-election of Wilson, a statement was made at democratic headquarters that the president could lose both California and Minnesota and still be elected.

NEW YORK, Nov. 8.—Chairman Wilcox of the republican national committee at 12:50 o'clock issued this statement:

"California and Minnesota are ours. It is for Hughes. This means Hughes is elected."

NEW YORK, Nov. 8.—A statement issued at republican national headquarters at 2:20 this afternoon claimed Minnesota, Oregon, California and New Hampshire, and asserted that Hughes had obtained 272 electoral votes.

HELENA, Mont., Nov. 8.—Returns up to this evening from around the state show that Montana, while going for Wilson, is still in doubt in respect to the governorship and the congressional and state offices. O. M. Harvey, republican state chairman, claims that, while returns from 200 precincts show Stewart in the lead for governor, large republican precincts are still to be heard from and that the final result will be in favor of Edwards.

Reports from Every State

All Agree that Lydia E. Pinkham's Vegetable Compound Wonderfully Relieves Woman's Suffering.

From all parts of this country the clearest evidence is constantly coming to the office of the Lydia E. Pinkham Medicine Co. of Lynn, Mass., proving the wonderful power shown by Lydia E. Pinkham's Vegetable Compound in controlling ills peculiar to women. Here are letters from Vermont, Arkansas and New Jersey:

It Cured Me!

Roxbury, Vt.—"A year ago last December I was taken with a female trouble and doctored for it but did not get any help until I took Lydia E. Pinkham's Vegetable Compound. My back troubled me a good deal and these troubles lasted so long that I grew terribly poor and I felt a great deal easier lying down. No one knows what I suffered. I did not dare consult another doctor I was so afraid he would say I had got to have an operation. I can truly say that Lydia E. Pinkham's Vegetable Compound was a god-send to me for after suffering about eight months this wonderful medicine cured me."—Mrs. Nellie E. French.

Her Best Friend.

Weehawken, N. J.—"I must call you my best friend for what your remedies have done for me. I am 50, and am passing through the Change of Life and for some time I felt bad but since I took Lydia E. Pinkham's Vegetable Compound I feel fine and will recommend it to every woman who suffers as I did."—Mrs. Kathie Leonhardt, 419 7th St., Weehawken, N. J.

Had Awful Pains in Side.

Branch, Ark.—"Every month I suffered with cramping pains and I had awful pains in my left side. I was very irregular. I had a tired feeling all the time and did not sleep good at night. I took Lydia E. Pinkham's Vegetable Compound and in three months I was well."—Mrs. Mae Gattis, Branch, Ark.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back, and ends the misery. It is magical, yet absolutely harmless. It doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!
