Excellent Comedy at Heilig.

(From Oregon Journal, Nov. 17.)—Quaint comedy and grotesque humor combine for an evening of splendid entertainment at the Heilig theatre, where "Hobson's Choice" opened last night for a brief engagement, ending tonight. The comedy depicts English provincial life and the cast is all English and the original one which produced it. Costuming and stage settings breathe the atmosphere of old England. There is a delicate love plot in which Viola Roach, as Maggie Hobson, braves a blustering, cantankerous father by wedding his chief bootmaker, William Mossop, portrayed by Galway Herbert. The father, daughter and comedy carry off major honors. The comedy excels, especially from the standpoint of character work. Opening in a show state the scenes depict throughout the realities of the provincial.

OLD-TIME COLD CURE—DRINK HOT TEA! Get a small package of Hamburg Great Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put through a boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold. Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.
