The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy; full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

**ONE WEAK SPOT**

Many Medford People Have a Weak Part and Too Often It's the Back.

Many people have a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Dull aching keeps up, day and night.

Backache is often from weak kidneys.

In such a case a kidney medicine is needed.

Don't's Kidney Pills are for weak kidneys.

For backache and urinary ills. Medford people recommend the remedy.

W. W. Mansfield, fish and game warden, 121 Roosevelt ave., Medford, says: "I used to be subject more or less to kidney trouble. My kidneys acted too freely and during the night I was obliged to get up every little while. My back ached and at times I couldn't get in any position to ease the misery. Finally I began taking Don't's Kidney Pills and I found that they were all that was represented of them. After I finished a few boxes my kidneys were normal and my back felt as strong as ever."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Don't's Kidney Pills—the same that Mr. Mansfield had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 20 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.
