ance has something to be
truly thankful for.
**The
Electric Shop**
Will be glad to test your
battery at any time

Proclamation
By Gov. Withycombe
"The year 1916 has brought to the people
of the State of Oregon the multitudinous bless-
ings of peace and prosperity, in which our
good fortune is doubly notable because of its
contrast with the unfortunate conditions pre-
vailing in so many other portions of the war
ravaged world. There is much in the lives
of each and every one of us for which to be
grateful, and for which to render thank-
sgiving unto him who presides over the desti-
nies of individuals, states and nations.
"I call upon the people of the state of Ore-
gon, on that day, to pause from their labors
and render fitting thanks for the bounties
and blessings bestowed upon them and our
commonwealth."
