GOVERNMENT OWNERSHIP OF ROADS FAVORED

Senator Clapp Says All Attempts to Regulate Are Futile—Lesser Cannot Control Greater—No Middle Ground—History Shows Railroads Unduly Pampered.

(By Gilson Gardner)

WASHINGTON, Nov 28.—That railway regulation by the government commission will not regulate in the conclusion reached by Senator Moses E. Clapp, after years of effort in the interest of this kind of remedy for railway evils. Government ownership he now believes, is the only answer.

"It was twenty-six years ago," said the senator to me, "that I began the study of this problem and luring these twenty-six years, I have had a lot to do in one way and another with the matter. Finally I have concluded that all attempts at regulation are futile and that the only possible answer is government ownership.

The greater cannot be controlled by the lesser. No commission is as strong as the combined power of the railroads. No matter how high minded the commissin may be, and I admit that they are generally a very fine class of men they are only human and sooner or later the more powerful controls the less powerful. There is just one answer and that is the transfer of the ownership from private hands to representatives of the people.

No Middle Ground.

This sentiment was voiced also by Newlands commission by Benjamin C. March executive secretary of the committee or real preparedness. Mr. March quoted Professor Richard T. Ely, who, he said, stated thirty years ago: "The railways must become still more completely our master or they must be reduced to complete submission to us as their masters; there is no middle ground; we are dealing with the problem of economic liberty."

Speaking of the demands of the railroad presidents for more credit and capital, Mr. March replied, "The whole history of the railroads shows that they have been pampered outrageously by the government. What they want is more of what they have always sought and have received in the past—a large enough subsidy out of the earnings of the workers of the country to enable them to get dividends on watered stock on values they have not created.

Badly Pampered.

"The railroads have been given federal and state grants of land amounting aproximately to 155,000,000 acres—one-twelfth of the continental land area of the United States and about seven hundred millions of dollars cash subsidies, besides terminals, now enormously valuable, either free or for a normal sum. Not content with their present vastly inflated capitalization, the railroads are attempting to inject eight billion, six hundred million more of water. The Utilities Magazine for March of the current year reports that the railroads have asked the Interstate Commerce Commission to adopt a ruling in valuation which would add $334,700,000 to the capitalization of the Santa Fe railroad alone, or over, $8,600,000 to the existing capitalization of all the railroads of the country. A five per cent dividend on this inflated capitalization would place an annual burden of $430,000,000 on the people of the country over and above our present unfair freight charges."

STEAMER NIELS NIELSON REPORTED IN NO DANGER

SEATTLE, Wash., Nov. 28.—A dispatch received by the naval radio station at Tatoosh said that the Niels Nielsen was in no danger, and that the coast guard cutter Snohomish would reach the disabled ship at 10 o'clock this morning.

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly upon the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials, free.

A CHILD GETS CROSS, SICK AND FEVERISH WHEN CONSTIPATED

Look Mother! If Tongue is Coated Clean Little Liver and Bowels.

If your little one's tongue is coated it is a sure sign the stomach, liver and bowels need a gentle, thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine made by "California Fig Syrup Company."

NOTICE OF ELECTION

Notice is hereby given that an election has been called by the undersigned County Court, pursuant to section 6168 Lord's Oregon Laws as amended, and the same will be held on the 27th day of December, 1916, between the hours of 8 o'clock a. m. and 8 o'clock p. m., for the purpose of determining whether or not the territory hereafter described shall be organized as an Irrigation District under the provisions of said section.

The boundaries of said proposed Irrigation District within and for which said election will be held are as follows, to-wit:

Beginning at the center of section three (3) township thirty-seven (37) south range one (1) West Willamette Meridian in Jackson county, Oregon; thence west one-fourth (¼) mile; thence south three-fourths (¾) miles; thence west one-fourth (¼) mile; thence south one-half (½) mile; thence east one-fourth (¼) mile; thence south three-fourths (¾) miles; thence west one-fourth (¼) mile; thence south three-fourths (¾) miles; thence east one-fourth (¼) mile; thence south three-fourths (¾) miles; thence west one-fourth (¼) mile; thence south three-fourths (¾) miles; thence east one-half (½) mile; thence south three and three-fourths (3¾) miles to center of section fifteen (15) township thirty-eight (38) south range one (1) west; thence west one-eighth (⅛) mile to the main irrigation ditch of the Rogue River Valley Canal company known as Phoenix Mill Ditch which irrigation ditch runs from Bear Creek in a northwesterly direction through the town of Phoenix and beyond thence along the Phoenix Mill Ditch to the southwest corner of the southeast one-fourth (S. E. ¼) of the northwest one-fourth (N. W. ¼) of section eight (8) township thirty-eight (38) south range one (1) west; thence west one and one-fourth (1¼) miles; thence north three-fourths (¾) miles; thence west one (1) mile; thence north one-half (½) mile; thence west one-half (½) mile; thence north one-fourth (¼) mile; thence west one-half (½) mile; thence south one-fourth (¼) mile; thence west one-half (½) mile; thence north one-fourth (¼) mile; thence west one-half (½) mile; thence north one-fourth (¼) mile; thence west one-half (½) mile; thence north one-fourth (¼) mile; thence west one-half (½) mile; thence north one-fourth (¼) mile; thence west one-fourth (¼) mile; thence north one-half (½) mile; thence west one-fourth (¼) mile; thence north one-fourth (¼) mile; thence west one-fourth (¼) mile; thence north one (1) mile; thence east one-fourth (¼) mile to the center of section twenty (20) township thirty-seven (37) south range two (2) west; thence north one-fourth (¼) mile; thence east one-fourth (¼) mile; thence north one-half (½) mile; thence east one-fourth (¼) mile; thence north three-fourths (¾) miles; thence west one-fourth (¼) mile; thence north 1 mile thence west one fourth mile to the quarter corner between sections five (5) and eight (8) township thirty-seven (37) range two (2) west; thence north one-fourth (¼) mile; thence west one-fourth (¼) mile; thence north one-fourth (¼) mile; thence west three-fourths (¾) miles; thence north one and one-half (1½) miles to the quarter corner between sections thirty (30) and thirty-one (31) township thirty-six (36) south range two (2) west; thence east one-fourth (¼) mile; thence south one-fourth (¼) mile; thence east one-fourth (¼) mile; thence south one-eighth (⅛) mile; thence east one-fourth (¼) mile; thence south seven-eighths (⅞) miles; thence east one-fourth (¼) mile; thence south one-fourth (¼) mile to center of section five (5) township thirty-seven (37) south range two (2) west; thence south-easterly along the main irrigation canal of Rogue River Valley Canal company extending through said section, which canal is known as Hopkins Canal Extension to the southeast corner of lot seven (7) section four (4) township thirty-seven (37) south range two (2) west; thence in a south-easterly direction along the Hopkins Canal Extension through sections nine (9), sixteen (16), fifteen (15) and fourteen to a point due south of the quarter corner between sections thirteen (13) and fourteen (14) township thirty-seven (37) south range two (2) west and twenty-three hundred (2300) feet more or less distant therefrom; thence south on the north and south line between said sections thirteen (13) and fourteen (14) twenty-one hundred (2100) feet more or less to the county road running east and west through the north half of section twenty-four (24) of said township and range; thence east one-fourth (¼) mile; thence south twenty-seven hundred (2700) feet more or less to the city limits of the city of Medford; thence on the north-westerly and north boundaries of Medford City limits to Bear Creek at a point approximately sixteen hundred (1600) feet south of the section corner on the township line between sections thirteen (13), eighteen (18), twenty-four (24) and nineteen (19), township thirty-seven (37) south range one (1) and two (2) west; thence north and east along the main canal of the Rogue River Valley Canal company known as the Hopkins Canal through sections thirty-three (33), twenty-seven (27), twenty-two (22), twenty-three (23), twenty-four (24) in township thirty-six (36) south range one (1) west and sections thirty (30) and nineteen (19) in township thirty-six (36) south range one (1) east, to the northeast corner of the northwest one-fourth (N. W. ¼) of the southeast quarter (S. E. ¼) of section nineteen (19) in said town; thence east one-half (½) mile thence south one-half (½) mile; thence west one-fourth (¼) mile; thence south one and one-half (1½) miles; thence west one-fourth (¼) mile; thence north one-fourth (¼) mile; thence west one-fourth (¼) mile; thence north one-fourth (¼) mile; thence west three-fourth (¾) miles; thence south three-fourth (¾) miles; thence west one-half (½) mile; thence north one-fourth (¼) mile; thence west one-fourth (¼) mile; thence north one-fourth (¼) mile; thence east one-fourth (¼) mile; thence north one and one-fourth (1¼) miles; thence west three-fourths (¾) miles; thence south one-fourth (¼) mile; thence west one-half (½) mile; thence south one-fourth (¼) mile; thence west one-fourth (¼) mile; thence south one and one-fourth (1¼) miles; thence west one-fourth (¼) mile; thence north one-fourth (¼) mile; thence west one-fourth (¼) mile; thence north one-fourth (¼) mile; thence west one-fourth (¼) mile; thence south one-half (½) mile; thence east one-fourth (¼) mile; thence south one-half (½) mile; thence east one-fourth (¼) mile; thence south one-fourth (¼) mile to the point of beginning.

Excepting and excluding from the foregoing bounded territory all land therein which is included within the limits of the city of Medford, a municipal corporation of Jackson county, Oregon the limits of which city are described as follows, to-wit:

Commencing at the southwest corner of Donation Land Claim No. forty-four (44), township thirty-seven (37), range one (1) west Willamette Meridian and running thence along the center line of Stewart avenue to the center line of Plum street; thence north along the center line of Plum street to the center line of Dakota avenue; thence west on the center line of Dakota avenue to the center line of Columbus avenue extended; thence north on the center line of Columbus avenue extended to the south line of Highland Park addition; thence west on the south line of Highland Park addition and Walnut Park addition to the west margin of Louis avenue; thence north on the west margin of Louis avenue to the north line of West Main street; thence east on the north line of West Main street to the West line of Western avenue; thence north on the west line of Western avenue to the north line of Locust street; thence east on the north line of Locust street to the west line of the alley on the west side of block three (3), Kenwood Addition; thence north on the west line of said alley to the center line of the street on the north of said block three (3); thence east on the center line of said street to the center line of Columbus avenue; thence north on the center line of Columbus avenue to the center line of Jackson street; thence west on the center line of Jackson street to the center line of the county road or McAndrew street; thence north-easterly on the center line of McAndrew street to the center line of Court street; thence east on the center line of McAndrew street to a point sixty-six (66) feet east of the east bank of Bear Creek; thence southward, parallel with and sixty-six (66) feet east of the east bank of Bear Creek to the westward projection of the north line of the alley north of block one (1) Sunrise Home Park Addition; thence east on said line to the center line of Roosevelt avenue; thence south on the center line of Roosevelt avenue to the north line of esction thirty (30), township thirty-seven (37) south, range one (1) west; thence eastward on the notrh line of sections thirty (30) and twenty-nine (29) to the east line of the Queen Anne Addition; thence south on the east line of Queen Anne Addition and said line extended to the center line of Hillcrest road thence east on center line of Hillcrest road to east line of Barneburg road; thence south 0 degrees 15 minutes west one thousand six hundred and sixty-nine and eight tenths (1669.8) ft; thence north 89 degrees 40 min. west one thousand five hundred and forty-three and thirteen hundredths (1543.13) feet; thence south 0 degrees 15 minutes west fourteen (14) feet; thence south 72 degrees 33 minutes west, 1933.5 feet; thence north 33 degrees 47 minutes west 138.60 feet; thence north 38 degrees 47 minutes west 175-5 feet; thence north 46 degrees 44 minutes west 328.0 feet; thence north 85 degrees 30 minutes west 53.5 feet; thence north 9 degrees 4 minutes west 841.89 feet; thence south 78 degrees 23 minutes west 327.39 feet; thence south 0 degrees 05 minutes west 505 feet; thence north 73 degrees 29 minutes west 247 feet; thence south 49 degrees 49 minutes west 81.3 ft; thence south 26 degrees 24 minutes east 698.24 feet; thence south 72 degrees 10 minutes west 106.2 feet; thence south 26 degrees 27 minutes east 400 feet; thence south 72 degrees 12 minutes west, 537.65 feet to the east side of Riverside avenue; thence southeasterly along the east side of Riverside to the south side of Donation Land Claim No. forty-four (44), above mentioned; thence westward along county road or Stewart avenue to place of beginning.

Also excepting and excluding from the foregoing bounded territory all land therein which is included within the limits of the City of Jacksonville, a municipal corporation of Jackson county, Oregon, the limits of which city are described as follows, to-wit:

Commencing at the southwest corner of the southeast quarter of section thirty-one (31) township thirty-seven (37) south range two (2) west of the Willamette Meridian, running thence east 160 chains; thence north to the south boundary line of J. N. T. Miller's Land Claim; thence west 160 chains; thence south to the place of beginning.

Also excepting and excluding from the foregoing bounded territory all land therein which is included within the limits of the town of Phoenix, a municipal corporation of Jackson county, Oregon, the limits of which town are described as follows, to-wit:

Beginning at the Southwest corner of the Sam Colver Donation Land Claim, No. forty-two (42); running thence easterly on south boundary of said Donation Land Claim No. forty-two (42) to the east line of Railroad Addition (A street); thence along the east side of A street to the south line of Elm street; thence continuing in a northerly direction along the east side of A street from Elm street to Maple street; thence easterly on the north line of the Colver Orchard Tract to the northeast corner of the same; thence southerly to a point 200 feet south of the southwest corner of Reynolds' property; thence easterly at right angles to center of Bear Creek; thence northerly, following the center of the main channel of Bear Creek to the intersection of the west boundary line of the Colver Donation Land Claim No. forty-two (42); thence southerly along the said boundary line to the north line of Edwards Block; thence westerly to Main street; thence southerly along the east side of Main street to the intersection of the west boundary line of said Colver Donation Land Claim No. forty-two (42); thence southerly along said line to a point north of the Phoenix Church (about Church street); thence westerly to the north-east corner of the Phoenix Cemetery; thence southerly to the southeast corner thereof; thence westerly along the south side of the Phoenix Cemetery to the southwest corner thereof; thence continuing westerly on the north boundary line of Railroad Addition; thence westerly along said line to the west boundary line of the O. & C. Railroad right-of-way; thence southerly along the west line of said right-of-way to the intersection of the west boundary line of said Donation Land Claim No. forty-two (42); thence southerly along said line to the place of beginning, including all territory within these boundaries, said townsite being situate in township thirty-eight (38) south, range one (1) west of Willamette Meridian, Jackson county, Oregon.

Said Irrigation District has been divided into five Divisions in accordance with said section, which said Divisions are described as follows, to-wit:

Division No. 1 shall consist of all that portion of said Irrigation District lying east of Bear Creek and north of the east and west section line between sections 18 and 19, 17 and 20, and 16 and 21, township 37 south, range 1 west of Willamette Meridian.

Division No. 2 shall consist of all that portion of said Irrigation District lying east of Bear Creek and south of said east and west section line between sections 18 and 19, 17 and 20, and 16 and 21 said township 37 south, range 1 west of Willamette Meridian.

Division No. 3 shall consist of all that portion of Irrigation District lying between Bear Creek and a line drawn from the Hopkins Canal being the north boundary line of said district, and running south through the center of sections 14, 21, 26, and 35, township 37, south, range 2 west of Willamette Meridian, to the south line of said Irrigation District.

Division No. 4 shall consist of all that portion of said Irrigation District lying south of the east and west section line between sections 17 and 20, 16 and 21, 15 and 22, and 14 and 23, township 37 south, range 2 west of Willamette Meridian, and lying west of a north and south line extending through the center of sections 21, 26 and 35 of said township 37 south, range 2 west of Willamette Meridian.

Division No. 5 shall consist of all the remainder of said Irrigation District, being all that portion of said Irrigation District lying north of said east and west section line between said sections 17 and 20, 16 and 21, 15 and 22 and 14 and 21 said township 37 south, range 2 west of the Willamette Meridian, and west of a line beginning at the Hopkins Canal and running south through the center of said section 14 to the south line of said section 14.

The polling places for said election are as follows, to-wit:

Division No. 1—Residence on place owned by E. B. Pickle, in sec. 18, twp. 37 S. R. 1 W.

Division No. 2—Residence of W. H. Brown, on west side of what is known as Roosevelt avenue, just outside of city limits of the city of Medford.

Division No. 3—Residence of W. S. Hammond in Orchard Home Tract.

Division No. 4—Oak Grove School House, School Dist. No. 69.

Division No. 5—West Side School House, School District No. 95.

The electors of said proposed Irrigation District are hereby required to cast ballots at said election which shall contain the words, "Irrigation District—Yes," or "Irrigation District—No."

There will also be elected at said election one Director in and for each of the said Divisions of said Irrigation District, and also a Treasurer of said proposed Irrigation District, who shall, in case the legal electors in and for said proposed Irrigation District shall vote in favor of organizing the same, hold said offices in said Irrigation District until their successors are elected and qualified.

The name of said proposed Irrigation District is "High-Line Irrigation District."

The following named persons will be voted for to fill said elective offices in said proposed Irrigation District:

Director of Division No. 1—James Owen.

Director of Division No. 2—Leonard Carpenter.

Director of Division No. 3—Wm. Budge.

Director of Division No. 4—J. A. Perry.

Director of Division No. 5—Geo. B. Dean.

Treasurer of said Irrigation District—W. H. Gore.

And also all other persons who may hereafter be nominated for said offices or any thereof, pursuant to law, and any other persons whose names any elector or electors may see fit to write in upon the ballot at said election in the blank line under each office to be voted on, which will be provided therefor.

F. L. TOU VELLE,
County Judge.
WM. C. LEEVER,
County Commissioner.

Attest:
G. A. GARDNER,
County Clerk.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a glass of Salts if your Back hurts or Bladder bothers you—Drink more water.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three time during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

WHY?

Irrigation means saleable land. I cannot sell land in this county unless it has water or a show to get it.

The actual producing value of land in this county will be more than doubled when properly irrigated.

Irrigation first.
