OH! MY BACK! The Expression of Many a Kidney Sufferer in Medford. A stubborn backache is cause to suspect kidney trouble. When the kidneys are inflamed and swollen, stooping brings a sharp twinge in the small of the back, that almost takes the breath away.

Doan's Kidney Pills revive sluggish kidneys—relieve aching backs. Here's Medford proof: A. F. Stephenson, retired painter and paper hanger, 108 Cottage st., Medford, says: "Several years ago I was down and perfectly helpless for several days with lumbago. I could not turn over in bed or do anything. I thought my back was broken. Sharp, shooting pains in it, like a knife sticking me, took my breath away. My kidneys acted too freely and I had to get up at night five or six times to pass the kidney secretions. I had no ambition to do anything. I couldn't eat and nothing tasted good. I tried different medicines without results until I started taking Doan's Kidney Pills. After finishing about three boxes, I was able to go to work and get around as well as ever. They fixed me up in fine shape."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stephenson had. Foster-Milburn Co., Props., Buffalo, N. Y.
