PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets. A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel—there's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cured with a full, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

Turner of the Southern Pacific left for Los Angeles last Saturday in response to a subpoena as a witness in the case of Captain, alleged dynamiter, who is having a second trial in connection with the Times newspaper office tragedy several years ago. A meeting of the Chautauqua Literary and Scientific Circle No. 2, an organization formed this year, with Mrs. Dr. Boslough as president, was held Monday afternoon at the home of Mrs. J. F. Rocho on Granite street. Twenty members were present. Mrs. H. L. White led the literary exercises in a review of the book, "Germany Between Two Wars." All present were arrayed in typical Teuton costumes, and the Koffee Klatch dispensed refreshments which were strictly in keeping with the same environments. Over a mental vision of "Elizabeth and Her German Garden," there were a series of talks which incorporated every phase of German folk lore and "Kultur." Indulged in by the ladies between intermittent attempts at crochet work and Kensington. A realistic souvenir of this pleasant event was the taking of a picture of the merry group en costume, negatives of which should be in great demand by the metropolitan press. Mrs. Dr. Boslough, Mrs. E. D. Briggs and Mrs. Mary F. Swigart were associated with Mrs. Rocho as hostesses at this happy gathering, the novelties attending which being all the more unique due to the adoption of distinctive Germanic settings. Cornelius, the present incumbent; second ward, W. W. Caldwell, in place of P. L. Ashcraft, term expiring and who declines to again be a candidate. Although

Dill, as candidate for councilman from the second ward. He is president of the Ashland Fruit and Produce association. Papers are also out for R. P. Neil as candidate for mayor, a position which he occupied some years ago. The recordership seems to be a free-for-all race with five or six candidates announced. SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to flush kidneys and neutralize irritating acids—Splendid for system. Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it. Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it is no longer a source of irritation to the bladder and urinary organs which then set normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is applied for kidneys and causes no bad effects whatever. It is a pleasant, effervescent, salt water drink, which quickly relieves bladder trouble.
