When cross irritable, feverish, stomach sour, breath bad or has stomach ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipation, indigestion, undigested food and sour bile gently moves out of its little bowels without griping and you have a well, playful child again.

night, will be D. W. Griffith's two million dollar spectacle, "Intolerance." The magnificence of this production beggars description according to both press and public of New York, San Francisco, and Los Angeles and is to be appreciated it must be seen. The Babylonian scene in the days of Balshazzar, Paris of the middle ages and Judah in the days of the gentle Nazarine are depicted as only the hand of Griffith can depict them. As great a success as was his first production, "The Birth of a Nation," its importance is of no consequence compared with "Intolerance." The musical score, composed by Joseph Carl Briel, is interpreted by a large symphony orchestra and a large crew of operators work hundreds of effects which add to the realism of the entertainment. Patrons are urged to make early reservations in order to obviate the necessity of standing in line and missing the opening scenes of the play.
