OLD-TIME COLD CURE—DRINK HOT TEA!

Get a small package of Hamburg Tonic Tea, or as the German folks call it "Haminger Brust Tee" at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

Stop "loosing" rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops swelling, lameness, backache, neuralgia, lumbago, etc. Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pain, aches and stiffness. Don't suffer! Rub rheumatism away.

WEST PHOENIX

Feed the birds. This act of kindness is its own reward, but ample recompense is given by our little feathered friends who delight our eyes by their pretty manners and our ears with their sweet, cheery voices when other forms of nature repose in lethargic slumber. Love for these little creatures will prompt us to provide for them during the snowy days when the weeds, the seeds of which form a large portion of their diet, are encased with frost and ice and the ground covered with snow. Even if not actuated by the spirit of humanity, a little thought will convince us that in serving the birds we also advance our own interests, since it would be difficult to estimate the great amount of good these little feathered songsters accomplish by destroying noxious weeds and destructive insects. Let us, therefore, assist our little helpers in their struggle for existence, thus adding to the joy of life and conserving our own best interests as well.

GLASS OF SALTS IF YOUR KIDNEYS HURT

Get less meat if you feel Backsachy or have Bladder trouble—Salts fine for Kidneys.

Meat forms uric acid which exiles and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush of the body's uric acids, get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder troubles disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old time recipe improved by the addition of other ingredients for about 50 cents. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
