

POLUTRY SHOW EXTENDS TIME FOR STATE SHOW ENTRIES

At a meeting of the executive board of the local Poultry association yesterday evening the time for the entry of birds in the state show to be held in the Korinek building next week, opening on the 9th at noon, was extended to Sunday, midnight, January 7, in order to accommodate shipment of birds from the Willamette valley counties.

It was also decided that, in addition to the competition of local birds in the state show, in which awards will be made by comparison, the southern Oregon birds shall be secured. Many local breeders, ambitious to know how good their birds are, desired to have them secured.

Everything is practically in readiness for the show and the promise is that a good attendance and many entries will be the result.

J. R. Woodford was appointed treasurer of the southern Oregon association on the resignation of Raymond A. Mikschke, who has gone to Detroit, Mich., to accept employment in the Ford auto works.

R. H. Paxson of Central Point was chosen a member of the board of directors, filling a vacancy occasioned by the absence of a member. Superintendent Ernest Webb has chosen J. A. Bickerdike to assist in the care of the poultry during the show. W. J. Fulmer of the Fisher Flour Mills Co., Portland, will supply the feed for the show birds and assist in its administration. H. B. Patterson and P. E. Wynkoop will be "door cashiers." C. F. Carpenter will be clerk to Judge Keeney. H. S. Allen and T. A. Watterman have charge of the show room. W. D. Welch, H. J. Nordmann and L. E. Ackley will assist in the secretary's room.

Large stoves have been installed in the show room for heat, if needed. The city will supply the water and the California-Oregon Power Co. the lights.

It is expected that birds will begin to arrive Saturday. They will be properly cared for, whether accompanied by owners or not.

GERMANS STARVE DEPORTED BELGIANS AT SOLTAU CAMP

THE HAGUE, Netherlands, Jan. 4.—The first report received directly from Belgians deported to Germany, who have been transferred from the camp at Soltau, Prussia, has been given to the Associated Press. These prisoners were returned from Germany because they were almost in a dying condition. A number of them, who were interviewed while separated from each other agreed in their stories of conditions prevailing in the Soltau camp.

Seventy of the Belgians were sent home in a crowded cattle truck, attached to a freight train. It took three days and three nights for the journey, which is usually made by express trains in six hours. They arrived home in an emaciated condition, coughing, the greater number of them bearing evidence of having contracted tuberculosis.

According to the statements made by these Belgians, while in the civil camp at Soltau they received at 6 o'clock in the morning a bowl of some decoction made from acorns. At midday they received half a litre of soup containing much water and a few turnips, carrots and shrimps, served without bread or potatoes. At three o'clock in the afternoon there was given to them 250 grams (slightly more than half a pound) of black bread, had and often mildewed. In the evening, as at midday, they received half a litre of soup, sometimes containing bran or brown maize.

Under this regime the stronger men went under and the weaker soon fell so ill that the Belgians say, deaths occurred daily. Two of the Belgians are said to have become insane the first week. The torment of hunger drove them to such extremes that they crept into the kitchen and collected peelings of potatoes, turnips and carrots.

One workman who attempted to escape is reported to have been brought down with a shot and finished with the bayonet.

Nearby was a prison camp for captured Belgian soldiers. The soldiers were better fed than the civilians and came in contact with them on being permitted to attend funerals of civilians. Pitying their countrymen, they took to them secretly bread and preserved articles of food.

The returned Belgians say the civilians at Soltau receive no soap and are advised to use sand instead. Notwithstanding their sufferings, most of them refuse to work, although promised good food and considerable pay. On one occasion forty artisans were taken to the Grand Duchy of Baden, where for two days they were placed on abundant rations, being told if they accepted work they would receive such food regularly. On refusing they were sent back to Soltau in a cattle truck where, they reported, they were kept without food for thirty-five hours.

According to these accounts there are 11,000 Belgians at Soltau who refuse to work and still hope their release may be brought about. Brussels and Liege thus far are said to have escaped labor requisitions.

COUNCIL OF STATE FOR PHILIPPINES

MANILA, P. I., Jan. 4.—Governor General Harrison made announcement today of the impending formation of a council of state, to act in an advisory capacity. The council will include the president and speaker of the senate, who declined to accept secretaryships. It is expected the result of this move will be to make the council of state equivalent to a Philippines cabinet and the secretaryships will be merely department heads.

HURLEY RESIGNS FROM TRADE COMMISSION

WASHINGTON, Jan. 4.—Edward N. Hurley of Chicago, chairman of the federal trade commission, unexpectedly resigned today to resume business in Chicago. He had a personal conference with President Wilson and his resignation was accepted.

Mr. Hurley's resignation will take effect February 1, unless the president persuades him to remain. Mr. Hurley said it was necessary for him to attend to his private business affairs.

CORRESPONDENCE BETWEEN U. S. AND GERMANY REVEALED

SAN FRANCISCO, Jan. 4.—Confidential war time correspondence between German Ambassador Count Von Bernstorff; Captain Karl Boy-Ed, naval attaché of the German embassy; former Secretary of State William J. Bryan and the German consul in San Francisco touching on submarine construction and the salvaging of the Japanese cruiser Asama in Turtle Bay, Lower California, was revealed here today in the trial of Franz Bopp, German consul general, for dynamiting conspiracies. E. H. Von Schack, vice consul, also a defendant with Bopp and others, offered the letters in evidence when he was re-called to the stand to prove that C. C. Crowley, another defendant, was hired as a spy—not a dynamiter of munition ships and trains as alleged by the government.

Letters from Boy-Ed and Von Bernstorff, dated April 29 and March 26, 1915, dealt exclusively with reports forwarded by Von Schack of construction of submarines for Great Britain and Russia by the Union Iron works here.

The Bryan letter was in answer to a complaint from the local consulate that American-owned tugs out of American ports were aiding belligerent Japanese warships to strip the Asama of her guns and transfer them aboard the other warships when the Asama was fast aground in Turtle Bay in the spring of 1915.

"The government has concluded not to file a protest," wrote Bryan, then secretary of state.

Von Schack was acting consul general at the time. The interest of the German government in the Asama incident was not generally known until Von Schack offered Bryan's letter in evidence.

WILLOW SPRINGS

Herbert Clark is spending the holidays with his parents in Portland. Mr. and Mrs. Birkholz and son, Roland, took dinner with Mr. and Mrs. J. S. Minor on Sunday, December 31. The telephone lines numbered 14 and 18 held their annual meeting at the school house on Friday. Mr. Fred Stanbe was elected president. Mr. J. W. Birkholz was re-elected vice-president and Mr. Oscar Blackford as secretary and treasurer.

Mr. and Mrs. J. S. Minor were dinner guests of Mr. and Mrs. G. Davis and family on New Year's day. The Parent-Teachers Club will meet at the home of Mrs. J. W. Birkholz on January 6.

The Willow Springs Christmas celebration was held on Monday afternoon. A great deal of credit is due the older boys of the school for the decorations which were so tastefully put up. An unusually fine program was selected by Miss H. Taylor, the teacher, and Mrs. H. Davison, the music teacher. The children rendered their parts very nicely, surprisingly so, considering that they had no rehearsals for over a week, owing to the sickness of so many of them. The second number on the program, "A Christmas Pageant," was exceedingly impressive. The tinklers' song, sung by four of the little boys, pleased the audience so well that they were called out a number of times. At the end of the program Santa Claus distributed the nuts and candies to all the children present, including the Willow Springs beneficiaries.

Mother-Made, Quick Acting Cough Syrup

Should be Kept Handy in Every Home—Easily Prepared and Costs Little.

Mothers, you'll never know what you are missing until you make up this inexpensive, quick-acting cough syrup and try it. Children love its pleasant taste and nothing else will loosen a cough or chest cold and heal the inflamed or swollen throat membranes with such ease and promptness. It's equally as good for grown-ups as for children.

This wonderful cough syrup is made by pouring 2 1/2 ounces of Pinex (50 cents worth), into a pint bottle and filling the bottle with plain granulated sugar syrup. This gives you a full pint—a family supply of much better cough remedy than you could buy ready-made for \$2.50—a clear saving of \$2.

The moment it touches the inflamed, cold-congested membrane that lines the throat and air passages, the healing begins, the phlegm loosens, soreness leaves, cough systems loosen and soon disappear altogether, thus ending a cough quicker than you ever thought possible. Hoarseness and ordinary coughs are conquered by it in 24 hours or less. Excellent for bronchitis, whooping cough, spasmodic croup, bronchial asthma or winter coughs.

Pinex is a highly concentrated compound of genuine Norway pine extract combined with essential oils and is famous the world over for its quick healing effect on the membranes. Ask your druggist for "2 1/2 ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., P. L. Wayne, Ind.
