MEDFORD DEFEATS COTTAGE GROVE AT BASKETBALL 24-20

In a hair-raising finish, the Medford basketball team last night captured the game from the Cottage Grove aggregation by a score of 24-20. From the spectators' standpoint, the game was one of the best ever seen on a local floor. The teams were evenly matched, both putting up a good defense, with Cottage Grove having a shade over the locals in this department of the game. Neither team showed up especially well in shooting, the men on each side missing shots from all angles. The only change in the Medford lineup came with the substitution of Coleman at forward replacing Jones. Williamson was later put in, replacing Coleman. Of the Medford team, those appearing to best advantage were the new men, Gentry, Wallace, Jones and Coleman. Tonight a second game will be played. The Cottage Grove boys are more familiar with the local floor and will put up a better game, while the local boys, and especially the new recruits, have gotten their basketball legs and will undoubtedly show great improvement in generalship, team play and accuracy. The same team will line up that started last night's contest. The local high school girls met the Phoenix girls in a preliminary contest before the big game. This game Medford won by a score of 16-4. Tonight's game will be called at 8:15.

WIDOWS PENSION FRAUDS UNCOVERED BUTTE, MONTANA

BUTTE, Mont., Jan. 26.—Whole-sale deception of the county authorities in the matter of aid for needy widows with minor children were uncovered before the probate division of the district court today. The names of 22 widows with children, who were receiving county aid were stricken from the list of county dependents by order of Judge Dwyer. These women were being paid \$643 a month. Under the widow's aid law, passed at the last session of the legislature, the county must pay to indigent widows with children a certain sum per month for each child. Under this law, not yet two years old, Silver Bow county has been paying out between \$75,000 and \$80,000 a year. Probation officers, appointed by the court to investigate rumors that persons not entitled to county aid were receiving funds, resulted in the report today that among the 22, whose names were stricken from the list were several who owned extensive property with substantial incomes. Others were found who had been the recipients of life insurance policies upon the death of their husbands and still others who owned their homes were receiving incomes.

DEFENSE RESTS IN SPANELL MURDER TRIAL

SAN ANGELO, Tex., Jan. 26.—After testimony was introduced to hear out the story told by Harry J. Spanell yesterday and to show that Lieutenant Colonel M. C. Butler was known among his soldiers as "Bill" Butler, the defense in the trial in which Spanell is charged with killing his wife, rested today. Two witnesses testified that Butler had the reputation of being a "woman chaser," even with his command. The first witness for the state on the rebuttal declared that Colonel Butler's reputation regarding his attentions to women was good.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair. You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 30-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied. Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful. This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days. This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

TRIALS OF I. W. W. BEGIN MARCH 5

EVERETT, Wash., Jan. 26.—Judge J. T. Ronald in superior court today named March 5 for the beginning of the trials of seventy-three men, most of them members of the Industrial Workers of the World, charged with murder as a result of the municipal dock riot of November 5, when seven men were killed. Counsel for the defendants demanded separate trials, and the state selected Thomas H. Tracy, alias George Martin, as the first man to be tried. The prisoners were brought into court in three groups under charge of armed deputies and pleaded not guilty to the charge of murder. Judge Ronald's action followed. Counsel for the defense then served notice on the prosecution of a motion for a change of venue to King county, on the ground that a fair trial cannot be obtained in Snohomish county. The motion will be argued February 9.

AMERICAN POLICY IN MEXICO UNCHANGED
