DRUGS EXCITE YOUR KIDNEYS, USE SALTS. If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.
