Ashland and Vicinity
Our Unsightly and Unsanitary Depot is the topic for discussion at a meeting of the Civic Improvement club, Tuesday, February 13. The organization is also alert over the proposition for the city to purchase Chautauqua park, realizing that it is the only logical solution of the ever-recurring problem of conflicting elements controlling the park domain. Centralization in this respect is favored, with the added certainty that new Chautauqua auditorium will be available.

ASHLAND AND VICINITY

Superintendent Briscoe of the public schools, newly elected president of the State Teachers' association, was the guest of honor at a recent banquet, Hotel Austin, tendered by local teachers and members of the school board.
Miss Alice Poor, daughter of Joe Poor, S. P. engineer, has gone to Stockton, Cal., to reside with her aunt, Mrs. Charles Zent, where she will continue high school studies. Her brother Herbert is in the employ of the Siskiyou Light & Power Co. at Copeo.

A. R. Bonar, a former S. P. conductor, with headquarters at this terminal, has returned from Peru, South America, not having found railroad conditions in that country to his liking, and is temporarily located at Oakland, Cal., 1449 Third avenue.
The Glee club of the Agricultural college at Corvallis appeared at the Young Thursday evening, before an enthusiastic gathering of local students and old-time grads of that popular institution. The fine concert was in keeping with the traditions of the state's leading school, as affording a model entertainment. Two members of the organization are bright young Chinese, filling basso and tenor parts respectively. One of them, Frank Gao Ding, is from Hankow, and the other is credited from Portland. Arrangements are under way which contemplate a visit from the State University band of Eugene, early in March.

Mrs. Stuart Saunders, assisted by Mrs. Dr. McCracken, Mrs. E. D. Briggs and Mrs. H. T. Elmore, entertained the Occidental Bridge Whist club at the Saunders residence on Wednesday evening, at which merry gathering about a score of expert players were present. Inasmuch as the ladies on this occasion spared neither pains nor expense in entertaining the gentlemen, they very gallantly and condescendingly permitted E. E. Bagley to win the major prize.
Among extensive city improvements this season, Yreka is to build a new high school, city hall, and Masonic temple. Private enterprise is engaged

ed in the erection of a fine \$8000 garage.
Miss Sarah Fox has gone to Hillsboro for a visit with relatives, particularly with the R. A. Payne family, formerly of Ashland, who live in that town during the winter and at Newport in the summer months.

In line with assisting the better roads movement, Senator von der Hellen has introduced bill No. 288, providing for systematic establishment and control of state and county highways.

Mayor Lanikin, following precedent established by president and governors, has issued a proclamation counseling moderation during these exciting times in view of our polyglot citizenship. By his special order, Councilman Banta ran up the Stars and Stripes on the city hall Thursday morning, thus setting the pace for the display of the national emblem on both public and private buildings. Even before Ambassador Bernstorff had been given his walking papers our local Kaiser had unfurled the flag over the postoffice.

Bishop Sumner of the diocese of Oregon will visit Trinity church this week. A reception in his honor will be given at the parish house on Saturday evening. On Sunday morning at 11 the bishop will confirm a class of seven or eight.
Mr. and Mrs. W. H. McNair leave early next week for California, stopping first at San Francisco on business, thence to Los Angeles for a stay of two or three weeks in that vicinity.

The plan to sell Chautauqua park to the city is meeting with great favor. It means something tangible in behalf of a fine new auditorium. All the city councilmen favor it. A mass meeting will be held at the Armory Thursday, February 13, to discuss the proposition, when every phase of the contemplated transfer will be explained, the object being to give the plan the utmost publicity.

Those who think plans for the 1917 roundup here are in a quiescent stage should have attended the preliminary meeting at the city hall on Wednesday evening. The intent is to make the event bigger and livelier than ever. Dates and other details will be announced later, but the Fourth of July will be included in the schedule for a certainty. The same live wires specially reinforced will have charge of arrangements.

Mr. and Mrs. Sylvia Provost have been in Oakland, Cal., called there by the sudden death of a near relative.
Charles W. Hosmer, mining engineer engaged in some of the big enterprises of the leading Nevada fields, is visiting relatives here in the family of H. G. Eastman, deputy postmaster, whose wife is Mr. Hosmer's sister.

Old-time prejudices between the north and south being well nigh obliterated, a movement is under way locally to cultivate a closer union between the east and west divisions of this city, beginning with the school system by changing the names of the east and west institutions of learning. The parent-teacher associations are in favor of a merger also, and recommend the elimination of "east" and "west" as applied to the school buildings. The names of Washington and Lincoln have been suggested as a compromise.

Local pool halls may remain open on Sunday, provided the tables are kept covered and no games indulged in. This restriction is about equal to the one imposed on the kid who was granted permission to go swimming on Sunday, provided he didn't venture near the water.

Rev. D. D. Edwards, as vice-president, and Rev. H. A. Carnahan, as secretary, both of Ashland, were among officers elected at the recent meeting of the Rogue River Valley Ministerial association at Medford.
Lincoln's birthday next Monday will be generally observed, with the banks and postoffice closed. The schools will incorporate a measure of exercise in keeping with the patriotic sentiment. In the evening at the Young theater the rector of the Catholic church will give an address on the life of the martyr president.

"TIZ" FIXES ACHING, SWOLLEN, SORE FEET
How "Tiz" does comfort tired, burning, caloused feet and corns.
Good-bye, sore feet, burning feet, swollen feet, tender feet, tired feet.
Good-bye, corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. "Tiz" is magical, acts right off. "Tiz" draws out all the poisonous exudations which puff up the feet. Use "Tiz" and wear smaller shoes. Use "Tiz" and forget your foot misery. Ah! how comfortable your feet feel. Get a 25-cent box of "Tiz" now at any drugist or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.

eight barrels. The seizure was made in connection with the arrest of one Fred Sletzer for bootlegging. The sheriff is an old Jacksonville boy, son of Peter Applegate, and his wife was formerly Miss Lola Payne, daughter of Mr. and Mrs. R. A. Payne, residents of this city for years, now living at Hillsboro. Applegate was elected sheriff at the last general election.

McNair Bros. are remodeling the interior of their drug store, installing new furniture and fixtures.

The Ashland Art Shop, corner of Main and Oak streets, is going out of business and is conducting auction sales this week of the entire stock.

On Saturday evening of this week Medford high will meet the First company artillery team in a basketball game at the Ashland armory. Preliminary engagement at 7:30.
Senate bill No. 290, introduced by Smith as per request, and which seeks to regulate and prohibit the use of tea, coffee, milk, ice cream soda, cocoa-cola and roast-veal as intoxicants, opportunistly exempts lithia water in nursing bottles from its emergency provisions. The exemption is evidently a sop to the growing infant industries of southern Oregon.

The girls' and boys' basketball teams of local schools play the sectional games at Klamath Falls on Friday and Saturday evenings in a series of championship games.

HEAVY MEAT EATERS HAVE SLOW KIDNEYS

Eat less meat if you feel backachy or have bladder trouble—Take glass of Salts.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive, and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by breeding a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it falls, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.
Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients for 50 cents a large bottle, all ready for use. It is called Wynth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.
Everybody uses "Wynth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.
