ASHLAND AND VICINITY

Ashland was in the hands of the military on Tuesday forenoon, several hundred of Oregon and Washington troops being on their way home from the Mexican border, where the majority of the boys have been located for the past seven months near Calexico. The various commands included Oregon A Battery, Captain C. W. Helme; Troop A, Oregon cavalry, Captain George A. White; Troop B, Washington cavalry, and Company A, Washington signal corps. Forty cars brought men and equipment over the mountains. The men detained here and during the several hours' stay rambled all over town by way of diversion. They looked fine and with one accord voiced the expression that if sent south again they hoped to meet with active service aside from routine drill and guard mount.

Hot Water for Sick Headaches

Tells why everyone should drink hot water with phosphate in it before breakfast. Headache of any kind, is caused by auto-intoxication which means self-poisoning. Liver and bowel poisons called toxins, sucked into the blood, through the lymph ducts, excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head producing violent throbbing pain and distress, called headache. You become nervous, dependent, sick, feverish and miserable, your meals sour and almost nauseate you. Then you resort to acetanilide, aspirin or the bromides which temporarily relieve but do not rid the blood of these irritating toxins.

The city library circulated 31,226 volumes in 1916, with the loss of but two books. There are 2916 patrons' cards on file. The new books added during the year were 685, mostly by purchase, a circumstance which should serve as a hint for interested parties to donate a volume now and then for the public good.

AN OLD RECIPE TO DARKEN HAIR Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Wright's Sage and Sulphur Compound." You will get a large bottle of this old time recipe improved by the addition of other ingredients for about 50 cents. Everybody uses this preparation now, because no one can possibly tell that you lathered your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wright's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
