

ASK USE OF ARMS FOR ENFORCING NEUTRAL RIGHTS

WASHINGTON, Feb. 20.—Secretary Lansing and Assistant Attorney General Warren urged the senate judiciary committee today to press a bill authorizing the president to use the armed forces of the United States to enforce its neutrality obligations...

It also would empower the president to employ such forces "to enforce any or all other obligations imposed upon the United States by the law of nations" by treaties or conventions or by states of this government.

WASHINGTON, Feb. 20.—Secretary McAdoo took to today's cabinet meeting preliminary reports on vessels held in port because of the German submarine campaign showing that in addition to American vessels some vessels of other nationalities are not sailing.

WASHINGTON, Feb. 20.—After the cabinet meeting today it was indicated that there was no immediate prospect of any new action by the American government on the main issues involved in the submarine situation.

INVOLVED IN THE LATEST CUBAN REVOLT

These three men are the foremost figures in the present uprising in Mexico.

President Mateo Menocal, at top, has issued a call for more troops to subdue the rebels. His continuation in office depends on the bi-elections in Santa Clara province, over which the revolt is said to have begun.

Orastes S. Ferrera, lower left, speaker of the Cuban house of representatives, now in New York, also is said to favor the insurgents. He cabled Menocal to resign in favor of Vice-President Varona.

Certain articles of diet tend to check movements of the bowels. The most common of these are cheese, tea and solid milk. On the other hand raw fruits, especially apples and bananas also graham bread and whole wheat bread promote a movement of the bowels. When the bowels are badly constipated, however, the sure way is to take one or two of Chamberlain's Tablets immediately after supper.

OREGON UNDER SNOW BLANKET

PORTLAND, Feb. 20.—A blanket of snow today covered the entire state of Oregon. Reports from northern and western sections said a fall began during the night and, in many places, continued during the day. The eastern and southern sections have been white for several weeks.

In Portland and along the lower Columbia the fall was light and by noon rain had washed most of the snow away. Eugene, Albany and cities to the south reported one of the heaviest falls of the year. At Ashland and along the California line ten inches fell during the night. The Siskiyou summit is under a blanket several feet deep and power lines there are down.

One accident is reported from Roseburg, where a freight train ran into a work train during the storm. No one was injured. At Ashland the schools were closed when the storm crippled power lines connected with the heating system.

When You Have a Cold.

It is when you have a severe cold that you appreciate the good qualities of Chamberlain's Cough Remedy. Mrs. Frank Crocker, Pana, Ill., writes: "Our five-year-old son Paul caught a severe cold last winter that settled on his lungs and he had terrible coughing spells. We were greatly worried about him as the medicine we gave him did not help him in the least. A neighbor spoke so highly of Chamberlain's Cough Remedy that I got a bottle of it. The first dose benefitted him so much that I continued giving it to him until he was cured."
