Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and restoring nature in doing its work. The promoters have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P. J. CHENEY & CO., Toledo, O. **OUR SERVICE**  
And What It Means to You  
No. 1  
**YOU CAN SEE BEFORE YOU BUY**  
Have you ever considered the advantage of having, practically at your door, a stock of first-class implements that can be inspected thoroughly before a purchase is made?  
It is a human trait to want to see before we buy. When we were kids we swapped knives "sight unseen," but the novelty of this manner of transacting business loses its attractiveness when we consider that implements cost real money and are not an every day purchase.  
One of our jobs in conducting our business in this community is to set up the machines we sell and see that they are properly adjusted before they go into your field. After they are set up they can be examined by you—you know just what you are getting because you see the implements with your own eyes.  
When the goods leave our store our interest does not end there—but we'll tell you something about that later. We'd like mighty well to show you what we have in stock and give you a description of what we can get for you promptly if we haven't it here.  
Drop in the next time you are in town. We are always glad to see our good friends—and to get better acquainted with those we don't know so well.
