## PRESIDENT SIGNS POSTAL LAW WITH BONE DRY CLAUSE

WASHINGTON, March 3.—President Wilson today signed the revenue bill designed to raise \$350,000,000 through special taxes and bond issues.

President Wilson today signed the postoffice appropriation bill containing the "bone dry" prohibition provision. The bone dry provision of the postal bill is the most far-reaching prohibition legislation ever enacted by the federal government—in fact, it is the first direct legislation by the government prohibiting the liquor traffic.

At least fourteen states which have prohibition laws, but do not prohibit the importation of certain quantities of liquor for personal use, will be made bone dry by the new law, which prohibits the importation of liquor into any state that prohibits "its manufacture and sale."

State legislation, recently passed and about to become effective within the next few days, will increase the number of bone dry states to at least twenty-two. The same bill prohibits delivery in the mails of any publication or correspondence bearing liquor advertising in states which by their own laws prohibit such advertising within their borders.

## DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Brest Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system. Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

## RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil. When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old honest "St. Jacobs Oil" at any drug store, pour a little in your hand, and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone. Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin. Nothing else stops lumbago, sciatica and lame back misery so promptly!
