A crew of men is now engaged in paving the S. P. depot grounds. Both the boys' and girls' basketball teams, the high school band, a delegation of at least 100 high school rooters and a number of fans of the city will journey to Ashland tonight to witness the first of the series of four games with Ashland. The second game will be played on the Natatorium floor at Medford tomorrow night. More interest is being shown in this series than in any other of the season, probably on account of the ancient rivalry existing between the two schools and because the present team has the best chance of many years to wipe out the sting of many previous defeats at the hands of the Lithia City basket tossers. The seat sale for Friday night's game has been exceptionally heavy, encouraged by a contest between high school classes, now being led by the seniors. ROAD COMMISSION DISTRICTS STATE BETWEEN MEMBERS

SALEM, March 8.—At its meeting here the new state highway commission decided to divide the state into three districts and to assign a commissioner to each to consider petitions for funds for highway work. Commissioner Benson, who is chairman of the commission, will have charge of the district composed of the following counties: Lincoln, Polk, Tillamook, Yamhill, Washington, Clatsop, Columbia, Multnomah, Clackamas, Hood River and Wasco counties. Commissioner Thompson of the district composed of all of eastern Oregon save Klamath, Hood River and Wasco counties, and Commissioner Adams all of western Oregon save the counties given to Commissioner Benson, and also to have charge of Klamath county. Whenever funds are asked for the commissioner of the district in which the request is made will hold a hearing, gather all possible data relative to the project to be improved, and present the matter to the whole commission. No funds will be allotted until all applications have been passed upon, it was tentatively decided.

GERMAN EXODUS ON TO MEXICO

NEW YORK, March 8.—The Mexican consulate general in New York is issuing passports to Germans at the rate of more than 100 a day. Four hundred Germans have applied for and received passports this week. Most of those now emigrating to Mexico, it is said, go by rail through San Antonio, Texas, although many are going through El Paso, Eagle Pass and other points along the border west of Iaredo.

WIFE HAS RIGHT TO SEARCH HUSBY'S PANTS

NEW YORK, March 8.—A wife whose husband withholds a sufficient allowance on pay day has a perfect right, according to a decision by Magistrate Cornell of the New York court of domestic relations, to go through his trousers pockets when he is asleep. Mrs. Samuel Kell testified in court that her husband's weekly wage was \$15, but that for nine years he has given her but \$4 or \$5 a week to run the house and care for their two children. Last Friday night, she said, she

took \$17 from her husband's trousers pocket while he slept. Then Kell sewed up his pockets and took his trousers to bed with him, his wife testified and in consequence she had him summoned to court.

BERLIN, March 8.—Announcement was made by the admiralty today that there have been sunk by submarines in the Mediterranean eight steamships and seven sailing vessels of more than 40,000 tons.

This is the Stove Polish YOU Should Use. It's different from others because more care is taken in the making and the materials used are of higher grade. Black Silk Stove Polish. Makes a brilliant, silky polish that does not rub off or dust off, and the shine lasts four times as long as ordinary stove polish. Used on sample stoves and sold by hardware and grocery dealers. All we ask is trial. Use it on your cook stove, your parlor stove or your gas range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money. Insist on Black Silk Stove Polish. Made in liquid or paste—one quality. Black Silk Stove Polish Works Sterling, Illinois. The Black Silk Air-Drying Enamel, on grates, registers, stovepipes—prevents rusting. Use Black Silk Metal Polish for silver, nickel or brass. It has no equal for steam automobile.
