by means of many ferns and palms,
lent gaiety to the event. Green punch
was served during the evening and at
midnight a buffet luncheon
was served. Before the lunch all
the lights were turned off and the
moon with its soft glow and silk flags
waving, the orchestra struck the
chord of "The Star Spangled Ban-
ner" and each American standing
joined in singing the chorus.

The centerpieces for the tables con-
sisted of brightly colored cyclamen
and favors of carnations were given
to each lady while small silk flags
tied with green ribbon were given to
each gentleman.

In all, the event was one of marked
distinction and one to be remembered
for many days to come.
