

ANNUAL FIELD DAY MEET MAY 3 AT EAGLE POINT

Thursday, May 3, is the date set for the second annual Eagle Point field meet and community gathering.

All the schools in the territory tributary to Eagle Point have been invited to participate in the big annual event, and it is expected that most of them will take part.

The silver cup that was won last year by Eagle Point school is offered again this year and will be awarded to the school scoring the highest number of points.

Small schools stand practically as good schools as do the larger ones, for it is the average that counts.

The boys are divided into three classes according to weight; the girls are divided into two classes according to age.

If a school has only one boy in a given class, his score counts in each event for his class.

If a school is represented by ten boys in one class, it is the average of all their scores that counts for their school.

This method eliminates the old plan wherein only the stars are represented.

The new way instead brings out and develops those who really need physical development.

At least 80 per cent of the pupils in each school are required to participate; otherwise the school is not eligible to compete for the cup.

This plan is endorsed by the University of Oregon and by the Oregon Agricultural College.

Also it has been thoroughly tried out through several years in the county by W. O. Wheeler, who is the principal director in staging the coming event.

It is planned to have all the inter-school events closed by noon, at which time all will participate in a big powwow and picnic dinner.

Free coffee with cream and sugar will be furnished for all comers, but the visitors are expected to bring their own roughage.

In the afternoon there will be a spectacular list of free-for-all sports, for which liberal prizes will be offered.

\$6000 DEAL IN CITY PROPERTY LAST SATURDAY

The largest real estate deal in city property last week was consummated Saturday, by a deal whereby Dr. E. H. Porter bought from Dr. E. B. Pickett, the quarter block opposite the federal building on Sixth and Holly streets, for a consideration of \$6000.

Dr. Porter plans the erection immediately upon the site a private sanitarium and hospital to cost \$15,000. The plans for the building are now in the hands of the architect, and will be delivered early next week.

THE PROPER COURSE

Information Priceless Value to Every Medford Citizen.

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body.

Mrs. Mary Jones, 208 Tripp St., Medford, says: "I used to have so much trouble with my back that when I bent over, I had to straighten up by degrees. Sharp, shooting pains often caught me across my kidneys and for a few minutes I couldn't breathe. My kidneys were also irregular in action."

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—a sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them, 10c and 25c per box. All druggists.
