EAGLE POINT EAGLETS

By A. C. Howlett

Sunday morning there was an unusually large attendance in the Sunday school and after the regular lesson was disposed of the Easter program was rendered by the children. The few ladies who seem to be the leaders in the Sunday school work here deserve a great deal of credit for the work they are doing in that line and especially for the part they take in assisting the children in preparing for the various parts in the exercises in the entertainments.

There was a meeting of the school board last Saturday afternoon, but they did not get through until it was too late for me to put the result in my last report of the doings in and around Eagle Point. The board met at the school house about 3 o'clock and examined the various applications for positions in our school but came to no official conclusion as the lady member of the board pleaded for more time to consider the matter, although the other two directors had already agreed on at least two of the teachers. Prof. B. F. Nibret was over from Applegate to see the members of the school board Saturday.

The arrangements have been made to have a grand time here the 3rd of May next. Those who seem to be more interested in the track meet than any of us outsiders met at the school house and have given out that there will be something over a hundred dollars distributed among the various schools that meet and that the Ashland high school band will furnish the music free and that there will be two exhibitions of moving pictures in the afternoon and also at night free and after that show there will be a social hop, etc.; that all of the proceeds of the dance and other sources of income will be applied to the fund to be used toward putting in a water system on the school ground so as to irrigate the shrubbery and ornamental trees. I understand that all of the expense of the water system is to be assumed by the Parent-Teachers' society. I understand that the society is to have a stand on the ground where there will be a supply of soft drinks, nuts, candies, etc., to satisfy those who desire such things.

Sunday evening Rev. Paul S. Bandy, R. H. Paxson and Dr. S. A. Minkey of Central Point came out and organized an auxiliary unit to the Medford Red Cross society. Rev. Bandy opened the exercises by singing the national hymn, "The Star Spangled Banner," followed by prayer. He then read and commented on the fifteenth chapter of 1 Cor., giving us a short talk on the object of the Red Cross movement. He then introduced Mr. Paxson who explained more fully the object of the meeting, viz: to obtain new members to the society and raise funds to relieve the suffering of the sick and wounded among the soldiers. The church building was well filled as almost every seat was occupied and the result was the enrollment of forty new members. Dr. W. W. P. Holt was elected as president, Miss Minnie Taylor, secretary; V. V. McIntyre, treasurer and Mrs. Carl Narrigan, director. After the close of the services Rev. Bandy agreed to come out again next Sunday night, April 15, and preach for us.

Monday morning W. E. Hammel, Orville Childreth, Royal G. Brown and Lyle Purdin took Lewis' jitney to Medford.

J. W. Wakefield of Medford and W. A. Williams of Portland, two insurance men, E. A. Evanson and Frank Isaacs of Medford, W. C. Clements and wife and Mr. McDonald, who is foreman on the Rhodes farm, were here for dinner.

When the P. & E. train pulled in among the passengers were J. J. Good of Derby, O. Adams of Butte Falls, Miss Mina Minter of Eagle Point, Mrs. C. L. Farrar of Lake creek. Mrs. F. came to the Saunyside for early dinner and took the Eagle Point-Lake Creek stage for her home. She had been out to Medford spending a few days in the city.

Mrs. J. Ragsdale and son, G. W. Fray and wife, E. A. Evanson and Frank Isaacs were also here for dinner Tuesday. The last two named are working in Mr. Evans' orchard cutting out blight. Mrs. Ragsdale was on her way to Medford.

John Allen and Fred Kelso of Derby had a car each of hay go up Tuesday and there were two smaller lots came to Eagle Point, one for Ben Brophy and the other for George Austin, our Eagle Point-Climax mail carrier.

R. F. Ogden, representing the U. S. Steel Corporation, was here for dinner Wednesday, and so was Dr. C. E. McDonald and his brother, W. G. McDonald of Trail, the latter the owner of the Elk Resort at the mouth of Elk creek, and L. L. Anderson, also of the Elk creek fish hatchery, and Guy Cronk and wife of Medford, and a stranger whose name I did not get were here for dinner Wednesday.

I omitted to state in the proper place that Jud Edsall and myself started for Medford Monday afternoon and just as we were starting Mr. McDonald, the foreman of the Rhodes farm, came and secured passage to Medford and just as we were passing the house on the Roguelands demonstration farm Mrs. C. J. Dutton came out and secured a seat in the car and went to Medford, returning via the same route.

Corns Peel Right Off With "Gets-It"

2 Drops, and the Corn is a "Goner!"

When you've got to walk on the sides of your shoe to get away from those awful corn-pains, there's only one common-sense thing to do.

Use "Gets-It"; Your Corns Won't Swell in Water. Besides, They'll Shrivel, Loosen and Peel Off!

Put 2 or 3 drops of "Gets-It" on the corn right away. Pain and inflammation will disappear, the corn will begin to shrivel from that instant—then it loosens and falls right off.

There's no other corn-remover in the world that acts like "Gets-It." No new discovery has been made in corn-removers since "Gets-It" was born. Don't forget that fact. "Gets-It" does away forever with the use of salves that irritate, bandages that make a bundle of your toe, plasters that half do the work, knives and scissors that draw blood. Use "Gets-It"—no more digging or cutting.

"Gets-It" is sold everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Medford and recommended as the world's best corn remedy by **Leon B. Haskins, Medford Pharmacy, and Heath's Drug Store.**

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys if Bladder bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.
