

RAIDER KARLSRUHE SUNK OFF TRINIDAD NOVEMBER 4, 1914

SAN JUAN, Porto Rico, April 17.—What is believed to be the first authentic account of the cruiser Karlsruhe, which was active in the waters of the Caribbean and off the coast of Brazil during the first months of the war, was given this week by Captain Heinrich Lubinus, former prize officer on the Karlsruhe, and who brought the German prize KD-111 into this port in January, 1915. The KD-111 was formerly the British freighter Farne and was captured October 5, 1914.

The Karlsruhe was sunk following an accidental explosion on November 4, 1914, not far from the island of Trinidad, according to Captain Lubinus, who said that he had only recently received this information direct from one of the surviving officers of the cruiser.

This statement gives confirmation to reports from Trinidad about that time saying that a life preserver and portions of wreckage believed to have come from the Karlsruhe had been picked up there.

According to Captain Lubinus, Captain Kohler, commander of the Karlsruhe, several of the officers and more than 100 men lost their lives when the cruiser went down.

EMPEROR CHARLES SIGHS FOR PEACE

BERLIN, April 17.—Emperor Charles of Austria is quoted by Bjorn Bjorson as saying in an interview at Luxembourg near Vienna:

"I believe I know war better than most of the men who are at the head of the enemy powers today. I know not only the financial and economic effect of war but I know what it means to die in the trenches. I have lived a long time in the field and have seen men fall and die at my feet. Therefore I know also, better maybe, than any other emperor or king what peace means."

STEAMER ZEALANDIA SUNK BY A MINE

NEW YORK, April 17.—The loss of the American steamship Zealandia on the British coast early this month was due to striking a mine and two of the crew were scalded to death, according to the officers of the vessel who arrived here today on an American steamship.

The Zealandia left New York on March 18 for Liverpool. A cable dispatch from London on April 7 said she went ashore during a heavy gale, broke in two and would be a total loss.

The Zealandia officers said they were under orders from the ship owners not to discuss the vessel's destruction and they refused to tell the circumstances of the hitting of the mine. The two men who died were not Americans.

MOTHER! GIVE CHILD "SYRUP OF FIGS" IF TONGUE IS COATED

If Cross, Feverish, Sick, Bilious, Clean Little Liver and Bowels. Children love this "fruit laxative" and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs," because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 59-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

PEACE EFFORTS TO BE RENEWED BY DUTCH SOCIALISTS

THE HAGUE, April 17.—International Socialist circles are gratified at the latest news from Russia, according to which the new regime is becoming firmly established with the power of the socialist extremists very small compared to that of those who favor a lasting rather than a patched up peace. A reserved attitude is adopted in regard to the expected fruits of the conference which it decided to call at Stockholm, but the international socialists are keenly anxious to miss no chance of making their influence felt in the eventual reorganization of Europe.

No program was drawn for the conference but a sharp conflict of opinion is likely to develop. The Dutch delegates themselves are divided between the standpoint of the Russian Minister of Justice M. Keresky and President Wilson's peace program. In the meanwhile pacifist circles at The Hague are active and an executive meeting of the big anti-war council has been called for tomorrow to consider among other things the possible dispatch of deputations to the capitals of central powers.

The Dutch pacifists are apparently inclined to urge that the central powers make clear that they are aiming at peace with the entire entente rather than a separate peace with Russia. They are also agreed that it is desirable that the central powers publish their peace terms.

PHOENIX PLAYERS GREEN STOCKINGS

"Green Stockings," which Margaret Anglin made famous the continent over, is being presented at Phoenix in the coming Friday night by an organization of local talent. The play is an unusually clever one, and the Phoenix players feel much gratified at being able to secure it at a royalty that is not prohibitive.

The plot centers around an English family of social prominence. The father has four daughters, and being a widower, is anxious to marry all four off. He is successful with the youngest three, but the eldest, being indifferent to marriage, apparently cannot be disposed of. Resenting her family's attitude, she invents a lover, a gallant and also far distant soldier. The ensuing interest and regard of the household for the romance are richly repaying the lady for the "one small fib"—when a stranger arrives and presents himself as the "gallant soldier lover." As to what happens thereafter it will be pleasantly told upon the stage Friday evening.

SARAH BARNHARDT'S CONDITION IMPROVES

NEW YORK, April 17.—Physicians attending Sarah Barnhardt said today her condition had so improved that an operation probably would not be necessary, but that in case one was decided upon, it would not be performed at least for a week. The actress is suffering with an infection of the kidneys. A consultation of six noted surgeons and physicians is to be held late today.

GOVERNMENT ASKS WALL STREET AID

WASHINGTON, April 17.—Secretary McAdoo today informed the advisory council of the federal reserve board, comprising big banking interests of the country, including J. P. Morgan, that the government would welcome suggestions from them as individuals on floating the \$5,000,000,000 war bond issue.

ADVANCE WAGES OF 225,000 MINERS

NEW YORK, April 17.—A tentative agreement to advance the wages of 225,000 miners in the bituminous coal fields of Ohio, Indiana, Illinois and western Pennsylvania by about 20 per cent at the expiration of the present contract was reached today by a committee consisting of operators and employes from the four states.

KARMALA GAVE U-BOAT BATTLE BUT STRUCK REEF

NEW YORK, April 17.—The British steamship Karmala, an 8983-ton passenger vessel owned by the Peninsular & Oriental Steam Navigation company, was drawn on a reef and sunk on March 17 near Spezia, Italy, after being shelled and torpedoed by a German submarine, according to two Americans who were among the Karmala's 190 passengers, and who arrived here today from Europe. All on board the Karmala were saved.

The Americans are W. E. Park of Boston and F. Hewer of Brooklyn, who were returning from Egypt. The Karmala, they said, was on her way from Port Said to London when attacked. The submarine opened fire from her deck gun at a range of about five miles. Forty shots were fired, they said, but none did any material damage. The Karmala in turn fired ten shots at the submarine, but could not reach her.

The U-boat began to approach the ship, diving and emerging to fire. When within about 2000 yards she let go two torpedoes, one of which struck the Karmala in the bow.

Although wounded, the Karmala continued trying to escape, but in zigzagging ran too close to shore, hit a reef and ripped a great hole in her bottom. The lifeboats were lowered and the passengers and crew escaped, the U-boat giving up the attack when the ship hit the reef.

IRISH PARTY WANT NEW PARLIAMENT

LONDON, April 17.—At a meeting of the Irish nationalist party today it was decided to oppose the bill for the extension of the life of parliament.

LONDON, April 17.—Andrew Bonar Law, member of the British war council, moving in the house of commons this afternoon the second reading of the bill to extend the life of parliament until the end of November, said the British troops were engaged in the greatest operation since the commencement of the war and were meeting with success which exceeded his expectations.

BRITISH NOW 70 MILES FROM BAGDAD

LONDON, April 17.—British troops in Mesopotamia are continuing their advance up the Tigris in pursuit of the retreating Turks. It was officially announced today. They have pushed to within a little more than ten miles of Samarra, seventy miles northwest of Bagdad and within a mile and a half of Istablat where the Turks apparently are expected to make their next stand.

PRESIDENT PARDONS THOMAS R. SHERIDAN

WASHINGTON, April 17.—President Wilson today pardoned Thomas R. Sheridan, former president of the First National bank of Roseburg, Or., who was sentenced to five years' imprisonment for misappropriation of the bank's funds. The supreme court recently refused to review his conviction.

UNITED STATES HOSPITAL CORPS FOR MEDFORD

Dr. E. H. Porter has been requested by Major Marcellus of the Oregon National Guard who is here on an inspection trip to organize a field hospital corps for service with the Oregon troops. The corps would consist of one major, one captain, two lieutenants, four or five corporals, three druggists who rank as sergeants, three druggists who rank as sergeant clerks, and the remainder nurses—about 75 in all. Dr. Porter has taken the matter under consideration and if he receives the necessary support will start formation of the corps at once.

CLASH IN BUENOS AIRES OVER NEUTRALITY AND WAR

BUENOS AIRES, April 17.—Advocates of neutrality clashed last night during a street demonstration. Several persons were injured.

MERCHANTS FAVOR AIDING COUNTY FAIR

At the regular monthly meeting of the Jackson County Business Men's association at Crowson's last night a movement was endorsed to co-operate with the Jackson County Fair association and also with the farmers' Point. With the farmers and merchants being formed with a view to

better co-operation among the ranchers in the valley. D. M. Lowe of Ashland, spoke in favor of closer union between the business men and the farmers and his remarks were very well received. He spoke of the ten granges being formed in the valley and a Pomona grange in Central Point. With the farmers and merchants working together it is believed

it will be possible to have a fair in the fall that will be better than ever before. Mr. Underwood of the Portland Credit Men's association gave an interesting talk on "Trade Acceptances" explaining that they were becoming more and more popular with retail merchants. About 35 merchants were present and Mr. Crowson furnished a splendid banquet.

Working Under a Continual Strain? Does a Lame Back Keep You Worn Out All the Time?

MAYBE you have weak kidneys, a trouble that often follows grip, a cold, a fever, or a spell of worry, overwork or unwise habits. It shows in constant, dull, throbbing backache, or sharp twinges when stooping, lifting, getting up, or turning in bed, with headaches, dizzy spells, a tired, nervous state and irregular, abnormal kidney action. Don't neglect weak kidneys, or you run the danger of having dropsy, gravel, heart disease or Bright's disease. The kidneys are the blood filters and must work all the time to keep you in good health. Take things easier, follow regular habits, and take Doan's Kidney Pills, a remedy in use the world over, and recommended publicly in the U. S. A. by fifty thousand people. Doan's Kidney Pills are certainly worth a trial.

Here Are Several Medford Cases

- NORTH IVY STREET**
Mrs. J. W. Bass, 235 N. Ivy St., says: "I have always been ready to recommend Doan's Kidney Pills when I have heard anyone complaining of backache or kidney disorders. I have taken them when I have had these troubles and they have never failed to stop that misery in my back and put my kidneys in good working order. I have also given Doan's Kidney Pills to one of my children who is subject to weak kidneys and they have restored the kidneys to a normal condition."
- COTTAGE STREET**
A. F. Stephenson, 109 Cottage St., says: "Several years ago I was helpless for several days with lumbago. I couldn't turn over in bed or do anything. Sharp, shooting pains in my back like a knife sticking me, took my breath away. My kidneys acted too freely and I had to get up at night five or six times to pass the kidney secretions. I tried different medicines without results until I started taking Doan's Kidney Pills. After finishing three boxes, I was able to go to work and get around as well as ever."
- SOUTH CENTRAL AVE.**
M. S. Biden, Shoe Repairer, 21 S. Central Ave., says: "I suffered from what the doctor said was rheumatism, caused by an excess of uric acid in my blood. It showed itself by severe pains, especially in my back. My kidneys were out of order, too, and I was run down in health. I couldn't stoop without getting dizzy. Doan's Kidney Pills did just what they were claimed to do and soon I saw a great change in my condition. The pain began to leave me and my kidneys became more regular in action. By the time I had finished three boxes, I was without any of the signs of the trouble."
- SOUTH GRAPE STREET**
Mrs. J. H. Gustin, 521 S. Grape St., says: "I have been taking Doan's Kidney Pills whenever I have felt the need of a kidney medicine for several years and I have always received the most satisfactory results. My kidneys seem to be my weakest spot and every little cold or strain affects them and my back becomes weak or lame. After I have taken a couple of boxes of Doan's Kidney Pills, my kidneys become normal and in every way, I feel better."
- EAST MAIN STREET**
Edwin J. White, Prop. dairy, 322 E. Main St., says: "I was laid up with an attack of lumbago. I came on without any warning and I thought my back was broken. I couldn't straighten up and went about all bent over. A friend advised me to take Doan's Kidney Pills, which I did, and soon I was able to get about. It required only one box to fix me up in fine shape and since then I have never had any trouble with my back and kidneys."
- NORTH GRAPE STREET**
Mrs. Wm. Charley, 305 N. Grape St., says: "I had much pain in my back and sometimes I could hardly bend or straighten up. At night it bothered me, too, and often I couldn't sleep. I tried plasters and liniments for my kidneys, but none of them helped me any. It was while I was feeling ill and discouraged that I heard of Doan's Kidney Pills and began taking them. In less than two weeks, I felt better. I took in all four boxes and felt well again."

LEMONS BRING OUT THE HIDDEN BEAUTY
Make this lotion for very little cost and just see for yourself.

What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a whole quart of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smooth and beautify the skin. Any druggist will supply three ounces of orchard white at very little cost and the grocer has the lemons.
