POTATO MATINEE YIELDS \$59 CASH FOR RED CROSS

The potato matinee and potato auction at the Page theater Wednesday afternoon and night for the benefit of the Red Cross resulted in \$59 being added to the treasury of the latter organization. About 13 hundred young folks of 15 or under enjoyed the matinee to which each was admitted for a potato, and at night the theater was filled with the grown-ups to enjoy the auctioning off of the potatoes by Mayor C. E. Gates, who won renown as a witty spuds auctioneer.

The theater and moving picture attraction were given free of charge by Manager and Mrs. George Hunt, and all the hot air, according to his own admission, was supplied by the mayor himself.

The novel afternoon admission fee resulted in a collection of six large sacks and part of a barrel of fine potatoes.

Due to the fact that a prize of a month's free admission to the Page was offered by Manager Hunt for the largest and finest potato, the spuds were of exceptional size and quality. A number of children seeking this prize submitted original poems and comments along with their entries. The prize was won by George Mark, whose potato weighed three pounds and four ounces.

The prices realized from the auction and the purchasers are as follows: First sack, \$7. V. P. Dole, of Chicago; second sack, \$9. J. H. Cochran; third sack, \$9. J. A. Wedderburn; fourth sack, \$7. Miss Edna Warner; fifth sack, \$7. Mrs. C. M. DeLin; sixth sack, \$10. Col. Geo. P. Mims; six potatoes, \$3. Mrs. F. C. Cloud; six potatoes, \$2. Frank Loder; six potatoes, \$2. C. W. PELOUZE CHOSEN TO GO TO FRONT IN AMBULANCE CORPS

Word has been received that Robert Pelouze, former popular athlete in the high school who was graduated two years ago, and is now a student at Leland Stanford University, has been chosen one of the 21 students of that institution to be sent to serve in the American ambulance corps in France.

This is the second unit to be sent from Stanford to serve in the corps, and membership in it is regarded as a very high honor.

Robert Pelouze is the son of Mr. and Mrs. Fred Pelouze of Eagle Point. "I had a telegram from Bobby telling me of his selection," said Mr. Pelouze on Thursday, "and relating his joy over it. The unit will leave for France June 1, and of course he will come home for a visit before then."

At San Francisco last Tuesday a big patriotic demonstration was held preceded by a military parade, in honor of the Stanford and university of California students who are going into the ambulance corps service in France. The university of California also has a unit of 21 men for the corps. The Stanford cadets numbering 1500 and the U. of C. cadets about 1000 strong, participated in the parade.
