With the keen foresight that characterizes our merchandising methods, we anticipated the scarcity of many lines of white goods and the higher prices and bought at a time when the supply was big and prices were considerably lower. As a result we are now able to offer white goods at prices that are remarkably low. Fashion says that 1917 will be a big White Year, lending additional importance to our offerings.

An important feature of this event is the BETTER QUALITY which characterizes the various lines of merchandise concerned in this sale. This and the fact that everything offered is new, fresh, crisp and in the newest styles and patterns means exceptionally desirable merchandise at prices that represent savings—providing you buy now. Prices are still rising and there is no indication of a halt. You must display the same wisdom now as we showed when we bought the merchandise we are now offering for sale. That means buy your white goods and white wear at this sale!

Sale Opens Saturday, May 5th, With Scores and Scores of Remarkable Values Such as These.
