At the Churches

Sunday, May 6th has been proclaimed as "Oregon Y. M. C. A. day" by Governor Withycombe. Following is the proclamation:

"Whereas, no agency, aside from the school, has done more for the development of Christian character, manly integrity and physical well-being among our boys and young men than the Young Men's Christian association, and

"Whereas, the association in this period of war-time stress faces unexampled opportunities for development and patriotic service, and

"Whereas, it is urgently desirable that the work which the Young Men's Christian association is doing, and can do, for our soldiers in the field, receive the fullest possible recognition and assistance,

Now, therefore, I, James Withycombe, governor of Oregon, do hereby proclaim Sunday, May 6th, 1917, as Oregon Y. M. C. A. day, and I ask that the ministers of the state on that day make a special mention of the association needs with a view to arousing widespread public interest and support for the practical and praiseworthy operations of this splendid organization among the young men who have gone forth from their homes to render service to their country.

In testimony whereof, I have hereto set my hand and caused the seal of the state of Oregon to be hereunto affixed this 21st day of April, 1917.

"Governor."

Some of the young men are waiting till the close of school before leaving, and others until their season's crops are harvested. Charlie Huchen, however, left Tuesday evening for Vancouver.

He addressed the school in the forenoon on Food Preparedness, and the citizens at the library in the afternoon on utilizing vacant lots for raising food stuffs. At the afternoon meeting a committee was appointed to investigate the possibilities of idle land in this vicinity with Mr. F. W. Clark as chairman. This committee, consisting of Mrs. E. EAGLE POINT EAGLETS

By A. C. Howlett

Last Saturday afternoon about fifteen of those who are interested in the establishment of an auxiliary branch of the federal loan bank met at the Sunnyside hotel and proceeded to perfect the organization by electing L. K. Hank as permanent president; H. L. Young as vice president; E. H. Hurd as secretary-treasurer and L. K. Hank, George E. Stowell, Jud E. Edsell, C. L. Farrar, E. W. Frey and H. L. Young as the board of directors. They then proceeded to decide on the business of the district and the name. The name adopted was the Eagle Point Federal National Land association. They then named George E. Stowell, Jud E. Edsell and L. C. Farrar as the board of land examiners with Mr. Swan Bergquest and Ed. Frey as alternates. There were a few who finished out their applications for loans but the meeting seemed to be more for the purpose of perfecting the organization than to finish up the applications. There is quite a number who are applying to the association for money to improve and stock up their places, that are not in such close financial strain as to be forced to borrow money to pay old debts; some want to stock up with dairy cows, while others want to fence more land and a few take advantage of the low rate of interest to pay off the old 8 or 10 per cent mortgage. The federal loan association proposes to lend on long time from 5 to 20 years, and have easy payments made every year with the privilege of paying off both principal and interest at any regular stated time. There will be another meeting here in the near future on the call of the president.

Among the callers here Sunday were Mr. and Mrs. F. J. McPherson and son, George Von der Hellen and family, W. O. Wheeler and wife, Mr. and Mrs. G. H. Wamsley and three strangers.

County Commissioner George Owen was out looking after the road work in this section. He started up to the Lake Creek country but learned that the mud was so bad that he could not get through with his car. He and Wm. Von der Hellen took dinner together at the Sunnyside.

A. E. LaPonta, manager of the I. X. L. monument works, Central Point, was a business caller Monday at the Sunnyside.

Mrs. Rosetta Potter, the Eagle Point milliner, has a fine assortment of ladies' hats and trimings. —Adv.

Mrs. Wilburt Ashpole was out visiting her brother-in-law, Ray Ashpole, and family.

Stanley Spencer of Butte Falls, who has been out in the valley visiting his brother, Ray, spent Monday night with us and Tuesday morning took the P. & E. for Butte Falls.

N. C. Maris, district leader in food preparedness campaign, under the direction of Dr. W. J. Kerr, president, came out Tuesday and met the members of the various clubs in Barrons hall and gave us a very interesting talk on the subject.

John Rader and wife were among the business callers Tuesday. They brought in their can of cream for shipment on the P. & E.

Mr. Peelor, L. Basset, of Butte Falls, and Lee Edmondson and wife of Densby, and Jack Plymale and Otis Hubard were among the passengers on the P. & E. Tuesday

R. S. Brown of the firm of Geo. Brown & Sons had a car of wood brought from B. F. Tuesday. G. B. & S. shipped two crates of eggs Tuesday to Medford; they are shipping from 20 to crates a weey now.

Henry French and wife came in Tuesday to bring in their cream and other farm products. And so did E. C. Bellows and wife. Mrs. Grayham came in with them.

Carl Von der Hellen and wife were business callers Tuesday.

The ladies of the Eagle Point improvement club have donated thirty dollars cash to the Red Cross fund and shipped 3,047 pounds of paper to Medford, the proceeds from the sale to be applied to the same fund, and they are gathering all the old books and papers and magazines they can to send, and anyone who has any to donate will take them to George Brown & Sons' store and the stuff will be forwarded by them.

E. R. Peterson, our schoolsupervisor, returned from Butte Falls Tuesday and took supper with W. O. Wheeler and wife at the Sunnyside.

Mrs. Rufus Trusty and two children came in Tuesday evening from Elk Creek, where she had visited her father-in-law, J. H. Trusty, and spent the night with us. She is on her way to Klamath Falls to meet her husband who has gone from Weed, California, where he has been working.

J. C. Barnard, wife and daughter Miss Oneeta, came in for late supper Tuesday evening. Mr. Barnard was here to meet the school board but there is nothing done as yet definitely, so far as employing the teachers is concerned, as Prof. Nibret has decided not to accept the position of principal here.

V. A. Heffner of Trail, the superintendent of the Elk Creek fish hatchery, came in Tuesday and spent the night with us and while here renewed his sub. to the Daily Mail Tribune, and since my last report L. K. Hank, E. P., Miss Frances Greb, E. P., C. S. Painter, W. H. Brown and Y. L. Brown have renewed their subscriptions to the Daily Mail Tribune.

Bert Higenbotham came out from his farm on Florence road and spent the night with us. He says that he has only lost two young calves this past winter and they died for want of milk as the cows did not have the milk to sustain them, but that he has fed a lot of hay and grain.

F. J. Ross of Nevada and a young man by the name of Hatfield of Ashland came out on the P. & E. Wednesday morning and took the E. P.-L. C. stage for L. C.

Our mayor and two of the city dads went to work Wednesday morning and repaired the floor on the foot bridge, replacing an old plank that was badly shattered with a new one and renailed the floor, greatly improving the appearance of the bridge.
