

BUTTE FALLS LED BUT EAGLE POINT WON SCHOOL CUP

The school field and track meet at Eagle Point last Thursday was a decided success, as has been previously reported. The cup was won again by Eagle Point, with a total score of 37 1-3 points. Butte Falls was far in the lead, scoring 64.8 points, but could not compete for the cup because its school was not represented by 80 per cent of its enrolled pupils. This provision was put in to prevent any school from sending only its stars, the object of the meet being to develop all the boys and girls rather than only those who are already strong physically. In each event, the school with the highest average was given first place. Even though the highest individual record may have been made by a contestant from another school. In each event, however, the individual contestant who won a prize, second or third place was given a ribbon prize. More of these prizes went to Butte Falls than to any other school.

Following are the points scored by the different schools, with fractions omitted: Butte Falls, 64; Eagle Point, 37; Reese Creek, 30; Agate, 29; Wellen, 14; Brownsboro, 14; Rognelands, 14; Antelope, 6; Central, 5.

A baseball mitt was offered to the school that made the highest chinning average. This also was won by Eagle Point with an average of 14 4-7. Twenty-eight boys chinned a total of 408 times. The best individual record was made by Roscoe Roberts of Eagle Point, and duplicated by Charles Pettigrew of Reese Creek.

The average chinning records for the other schools were as follows, fractions omitted: Butte Falls, 13; Central, 11; Reese Creek, 11; Wellen, 11; Brownsboro, 10; Rognelands, 9; Agate, 6.

The following boys and girls won ribbon prizes, the numbers following the names indicating first, second or third place: Butte Falls—Vernon Jones, 1-1-1-2; Hilda Abbott, 3; Elga Abbott, 1-1-3; Bryon Stewart, 2; Wilson O'Brien, 2; Thos. O'Brien, 2; Ted Froelberg, 1; Chester Jones, 1-3; Noma Stewart, 3; Raymond Stewart, 1-2; Mildred Patton, 2; Wilma Morris, 1-3; Lester Smith, 1-1.

Eagle Point—Fern Lewis, 1; Frank Brandon, 3; Mamie Winkle, 2-2; May Greb, 2; Fay Perry, 2-2; Edith Riley, 2; Busted McClellan, 2; Theo. Florey, 3; Roscoe Roberts, 1; Kenneth Wattenburg, 1-2-2; Lyle Vanseoy, 1-2; Harold Vanseoy, 1-2-2; Frank Brandon, 3; Joyce Von der Hellen, 1; Lloyd Cingcade, 3; Verta Grover, 3; Ansil Pearce, 1; Adolph Wattenburg, 1.

Brownsboro—Lorene Lomax, 2; Velda Monia, 2-3; Mary Monia, 1; Vernon Monia, 3; Hazel Hanscom, 2-3.

Rognelands—Elsie Singleton, 1; Vivian Wilson, 3; Inez Ggharl, 3; Ida Clark, 3; Vaughn Quackenbush, 2; Tom Singleton, 3.

Reese Creek—Cora French, 1-1-3; Nye Mathews, 1; Frank Pettigrew, 1; Millard Robertson, 1-2-2-2; Charles Pettigrew, 1; May French, 1.

Agate—Lloyd Hanseom, 2; Gwendall Sunderman, 2; Ed Boardman, 2-2-3; Fay Beebe, 1-2; Thelma Wylands, 2-3; Erna Hamilton, 3; Lyle Force, 1; Lloyd Timmons, 1-3-1; Robert Force, 1; Robert Kincaid, 1; Walter Munnick, 1.

Wellen—Ben Oswald, 3; Marie Bradshaw, 3; Alta Bradshaw, 3; Golda Bradshaw, 3-2.

All parts of the big program of the day were carried out very satisfactorily, with one exception. In the potato polo in the afternoon, one or two of the contestants exercised unnecessary cruelty to the horses, a practice in which no true sportsman would indulge. It spoiled the pleasure for many of the spectators and did not meet with the approval of the management.

GERMANS TRANSFER TROOPS TO WEST

PETROGRAD, May 7.—General Gurko, commander on the western front has issued an order declaring that the fraternizing of Russians with the enemy troops, which has become a common practice, must be stopped.

General Gurko says that three divisions of Germans have been transferred from the Russian to the French front and that others are following, including artillery and aircraft.

Representatives of the Belgian and Serbian embassies have published an appeal to the Russians, recalling the sufferings of their respective countries and asking the Russians not to leave them to their fate. The council of deputies has voted to support the Russian "loan of freedom" by a large majority.

SCENE FROM "SEPTEMBER MORN," COMING TO PAGE MAY 11

"September Morn" has found her way to the stage—with her wealth of song, mirth, melody, happiness and joy. Ruth Wilkins, "The American Gaby Deslys," is in the role of "Argentina," the dancer, while William Moore, a remarkably clever eccentric comedian will be seen as "Rudolph

Plastic," the artist. In addition to this splendid cast of talented principals, "September Morn" comes with a big chorus of dancing and singing girls—prettily costumed and attractively coached in many dashing ensembles. There are more than a score of song hits, including, "Oh, You Sep-

tember Morn," "In Paroo," "Where is the Pleasure in Wine and Song—If the Woman is Not There?" "A Spare Rib from the Butcher Shop of Life," "Beautiful Dreams I'm Dreaming," and "When a Little Boy Loves a Little Girl." This big fun show will be seen at the Page Theatre May 11.

HIGH COST OF LIVING REFLECTS IN RESTAURANTS

If Medford restaurants keep on reducing portions in an endeavor to keep pace with the constantly rising cost of food products and at the same time furnish a meal at near former cost before the rise started, patrons will soon probably have to take lunches along with them.

The single men, bachelors and other restaurant patrons who, until recently, were not bothered with the high cost of living and perhaps thought it was all a myth, are now contributing their bit to the war upset conditions of the country. It certainly is costing them more to live and they are getting less food than before for their money.

The time-honored twenty-five cent meal in Medford restaurants is nothing but a fond memory, especially the noonday meal. Some time ago all the restaurants but one raised their meal prices to 30 or 35 cents, and besides began cutting down the liberal portions of potatoes and side dishes.

One restaurant which has a very large patronage and gives a liberal variety of meats to choose from, still charges only 25 cents for the noonday meal for most of the courses, but has raised the prices of others to 30 and 35 cents. However, the 25 cent meals do not have the liberal portions of long ago. And with none of the courses is dessert thrown in as formerly. Now all puddings are five cents extra.

Neither are hot cakes any longer served at the restaurants free with breakfast orders. If you want hot cakes now you have to pay extra for them. Meal tickets which formerly sold for \$4.50 for 21 meals are now \$5.00 a ticket.

The Elks club restaurant, which aims to serve meals and food at only cost to members of the order, and which has long served a 25 cent luncheon at noon, was recently compelled to raise this price to 30 cents in order to break even, although serving the same quality and quantity of food.

The same condition of affairs exists all over Oregon and the Pacific coast. Everywhere the restaurants have raised prices and decreased the portions of food served. And there is talk that prices must be raised still higher. Anyhow the 25 cent meal is a thing of the past for a long time to come.

ALIENS WANT TO JOIN U. S. ARMY

WASHINGTON, May 7.—Another of the difficult problems in putting the army on a war footing is the disposition of the aliens in the United States, who though unaturalized and still citizens are subject to the entente powers and who wish to fight under the American flag. Applications are pouring into the war department from people acting as individuals or through committees. In most cases they ask permission to join the United States army in national units from companies to legions.

The war department prefers that the men return to the countries of their origin to serve in their armies, but although most of them have seen military service and are now reservists, they insist upon serving under the American flag.

ASK GOVERNMENT SEIZURE OF COAL

DAVENPORT, Ia., May 7.—The Davenport Coal Dealers club today sent to Iowa representatives in congress a petition asking that congress empower the government to take over all coal mines and fix prices. They claim they can make no contracts for future delivery because mine operators will not quote them prices beyond the current month.

ARIZONA AUTOISTS LYNCH MURDERERS

PHOENIX, Ariz., May 7.—Governor Thomas E. Campbell today refused to make any statement regarding the lynching of Starr Daely, confessed murderer, by a mob of 50 motorists on the desert yesterday morning. Authorities of Pinal and Maricopa counties said they would not act unless directed by the governor.

STATE OBSERVANCE UNIVERSITY DAY FOR NEXT FRIDAY

Under the direction of local committees of alumni in every section of the state, the friends and former students of the University of Oregon are arranging for a celebration next Friday of the first state-wide "University Day" as recently set aside by special proclamation by Governor Withycombe. The chairman in charge of the arrangements for Jackson county is Ole Arnsperger. The heads of other committees in this county are: Ashland, G. H. Billings; Butte Falls, Leonard Buoy; Gold Hill, G. W. Milan.

In each community in Oregon the alumni expect to get together all persons who have ever studied at the university or taken work through correspondence. The program for the day will consist of three parts; first, the effecting of a closer organization; second, the celebration of the day in good fellowship, with banquets, picnics and speeches in the different communities as local convenience may dictate; and third, the carrying out of some work for the university. One of the branches of the university activities which it is hoped to forward is the campaign for the women's building, which has been conducted for over a year under the leadership of Mrs. George T. Gerlinger of Dallas.

Paul Kohler returned home Sunday morning from a short business trip to Portland.
