"TIZ" PUTS JOY IN SORE, ACHING FEET

"My, how 'Tiz' gladdens tired, swollen, burning feet— It's glorious!"

Ah! what relief. No more tired feet; no more burning feet; no more swollen, aching, tender, aching feet. No more soreness in corns, callouses, bunions.

No matter what ails your feet or what under the sun you've tried without getting relief, just use "Tiz." "Tiz" is the only remedy that draws out all the poisonous exudations which puff up the feet. "Tiz" cures your foot trouble so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore and swollen. Think of it, no more foot misery, no more agony from corns, callouses or bunions.

Get a 25-cent box at any drug store or department store and get instant relief. Wear smaller shoes. Just once try "Tiz." Get a whole year's foot comfort for only 25 cents. Think of it.

Men Welcome Mother's Friend

The husband is often worried over the condition of his wife during her period of expectancy. The thought that he is helpless to relieve her physical suffering and discomfort causes him great distress.

"Mother's Friend" is a safe external lubricant which penetrates to the fine network of nerves beneath the skin of the abdomen. It has a marked tendency to relieve the muscular strain to which these broad, flat abdominal muscles are subjected.

If husbands will secure for the expectant mother a bottle of "Mother's Friend" from their druggist, they will find that they have added to a very great degree in relieving much of the discomfort during pregnancy and pain at the crisis.

The mother should apply "Mother's Friend" every night and morning, right up until the time of giving birth to the child. By aiding nature in its pre-natal work the mother will experience much less pain.

Every mother should have the free book prepared for users of "Mother's Friend." It concerns her health and well-being during and after the crisis. Write to Bradford Regulator Company, Dept. D, 445 Atlanta, Ga. Get a bottle of "Mother's Friend" today.
