

PLAN CAMPAIGN THRU COUNTY FOR ROAD BONDS

The whirlwind good roads campaign began in this county yesterday afternoon when a delegation of prominent citizens of this city and vicinity assembled at the headquarters of the Tri-State Good Roads association...

Speakers were appointed, places at which meetings shall be held were selected, dates given and names of prominent citizens in each community selected to act in conjunction with the committees appointed at the initial meeting yesterday.

Among those present who will take prominent part in the campaign every day until the 4th of June, on which date the people of the state will determine the fate of the \$6,000,000 bond measure, were W. H. Gore, joint representative; Mayor C. E. Gates, Banker C. W. McDonald, City Attorney Fred W. Mears, President J. A. Westerlund and Secretary Geo. E. Hoos of the Tri-State association...

Active Participants

These gentlemen were named in the final action of the meeting as active participants in the campaign, together with H. L. Walther, Attorney Porter J. Neff, Attorney Gus Newbury, Earl C. Gaddis, John H. Carkin, Geo. Putnam, R. W. Ruhl, S. S. Smith, W. W. Watson, Mrs. C. L. Schiefel, Mrs. John A. Perl, Mrs. R. J. Conroy, Mrs. J. A. Andrews, Mrs. C. W. McDonald and Mrs. F. E. Merrick.

Geo. E. Hoos and W. W. Watson were appointed a committee to select speakers for the campaign—and at once filed the names of C. E. Gates, W. H. Gore, F. W. Mears, Gus Newbury, Porter J. Neff, E. E. Kelly, John H. Carkin, Mrs. C. L. Schiefel and Mrs. John A. Perl.

Among those who donated the use of automobiles to the campaigners are J. A. Westerlund, H. L. Walthers, W. H. Gore, C. E. Gates, C. W. McDonald, Geo. T. Collins, Ed Pottinger, E. E. Kelly, J. C. Barnes, Delroy Getchel, E. C. Gaddis and John A. Perl. A few more will be needed.

Meetings to Be Held

The first big meeting will be held at the Applegate picnic, which is always an unusual event in point of attendance and general interest. That will be on Thursday of this week, May 24, at which all of the campaigners will assemble for a great start.

The second event will be at Talent, at which point H. W. Frame, W. Beeson, Geo. Morris, Prof. F. C. Reimer, Louis Brown, Blin Coleman and Prof. G. W. Ager were chosen to assist, and Jacksonville, where Louis Ulrich, F. L. Tou Velle, Emil Britt, Geo. Gardner and Ralph Jennings will assist. The campaign committee will divide its forces each night, owing to the brief period for the work, half going to one point and the other half to another.

On Saturday night, May 28, meetings will be held at Eagle Point and Willow Springs. Eagle Point representatives appointed are Frank Brown, Wm. Von der Hellen, A. E. Strong, Fred Pelouze and Thomas Nichols. At Willow Springs are W. C. Leever, D. W. Stone and R. W. Elden.

All of Next Week

Monday night, May 28, will be devoted to Gold Hill and Rogue River. At Gold Hill Joe H. Boeman, A. E. Kellogg, Mr. Truax and D. H. Miller will be the local representatives; at Rogue River, Sam Mathis, Don Wilson, Wm. Wetherill, D. Terrett and Judge Gilmore will take care of the local situation.

On Tuesday night, May 29, meetings will be held at Phoenix and Griffin creek. E. G. Coleman, F. E. Furry, W. V. Barnum, A. H. Fisher and Geo. T. Hughes will organize the forces for the meeting, and at Griffin creek Nick Kime, Theo. Helmroth, Chas. Darby, J. A. Rose and J. E. Judy will look after the local situation.

On Wednesday night, May 30th, the campaigners will assemble at Table Rock and Agate. Col. Washburn, J. C. Pendleton and Ed. Carlton will take care of the situation at Table Rock for that night, and E. M. Brown, of the Rogue River Canal company, will organize the forces for the meeting at Agate.

Closing the Week

Leaving Thursday, May 31 an open date, meetings will be held on Friday night, June 1, at Eagle Point and Lake creek. At Eagle Point, W. C. Leever, Wm. Freeman and W. Beebe will organize for the meeting, and at Lake Creek the local committee will be announced later.

At Medford, on Saturday night, a farmers' mass meeting will be held in the city park. If the weather be agreeable, at which prominent speakers

will explain the full text of the bond measure and all of its provisions. Arrangements will be made for the band to occupy the band stand in the park and favor the assemblage with a selection of patriotic numbers. Governor Withycombe said, in his address in this city last week, that the completion of the Pacific highway is a military necessity.

Ashland, through its Commercial club and other organizations, will take care of that part of the valley. It is expected that every person interested in good roads (and who is not?) will take active part in the close of this good roads campaign.

TOO MUCH BOOZE ABOARD THE STEAMER PORTLAND, May 22.—Captain G. M. Jensen and four officers of the steamer Breakwater were arrested late today, following a raid on the vessel by a "dry" squad, who found a large quantity of liquor. Captain Jes-

sen and his officers were released on bonds in time for the Breakwater to depart tonight for Coos Bay and San Francisco.

It is a sticky ether compound which dries the moment it is applied and simply shrivels the corn without inflaming or even irritating the surrounding tissue or skin. It is claimed that a quarter of an ounce of freezone will cost very little at any of the drug stores, but is sufficient to rid one's feet of every hard or soft corn or callus.

You are further warned that cutting at a corn is a suicidal habit.

LISTEN TO THIS! SAYS CORNS LIFT RIGHT OUT NOW

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn, the soreness is relieved and soon the entire corn, root and all, lifts out with the fingers.

It is a sticky ether compound which dries the moment it is applied and simply shrivels the corn without inflaming or even irritating the surrounding tissue or skin. It is claimed that a quarter of an ounce of freezone will cost very little at any of the drug stores, but is sufficient to rid one's feet of every hard or soft corn or callus.
