

BALFOUR FULL OF GRATITUDE, SAYS FAREWELL

WASHINGTON, May 25.—In his farewell address to the American people last night Foreign Secretary Balfour warmly expressed thanks for the kindness and sympathy with which the British war mission had been received in this country, declared what the United States has accomplished during the 40 days since the United States entered the war most remarkable, and said he would carry back to the allies across the water his belief that, with as little delay as human imperfections allow, the full and decisive weight of America would be thrown into the struggle for democracy.

The message was delivered through the Washington correspondents gathered at the National Press club to hear the last speech of the British statesman. It was spoken with evident feeling. Of those who say the war preparations of the United States have proceeded slowly, Mr. Balfour said, "they know very little of the actual way in which public life is and must be carried on in these forty days."

"I think what has been accomplished in these 40 days most remarkable," he said. "It is quite true that the executive government has been delayed by the fact that certain measures placed before congress took time to pass, some of them have not yet passed. But who is it that supposes that representative assemblies are going to make great and new departures in public policy solely at the waving of a wand?"

TABLE ROCK TABLETS

Walter Poffenburger of Medford is employed at the Modoc orchard. Mrs. Jack Davis and children of Marshfield arrived last week and will spend a few days visiting with Mrs. Davis' parents, Mr. and Mrs. A. L. Vincent.

Mrs. R. C. Washburn is spending a few days in Portland where she will attend the wedding of her niece, Miss Margaret Mears. A prize was offered last winter by Mrs. J. H. Lydiard and Mrs. J. C. Pendleton to the pupils of our school for the most improvement in penmanship.

A letter from Harry Wilcox states that he and his mother and sister, accompanied by Ella Wheeler Wilcox are leaving Los Angeles for Long Island Sound, where they will spend the summer at the home of Ella Wheeler Wilcox, all returning next winter to Los Angeles.

Mr. Wilcox, while here a short time ago stated that he was well pleased with his investment here and that the Rogue River valley looked better than ever to him. The planting of corn and potatoes will be finished on the majority of farms in this district by the end of the week.

Last Monday the anti-cigarette law passed by the last legislature went into effect. By the measure all persons under 21 years of age are prohibited the use of tobacco; also retailers are not allowed to sell tobacco to minors and must exercise every precaution to see that it is sold to any one who is likely to be a go-between for a minor.

All of the election board in this voting precinct willingly volunteered their services in the work of taking the military census, so the unpatriotic citizen in Jackson county who refused his services in this connection did not bark from this precinct.

Victor Beaulieu enlisted in the Home Guard last Tuesday evening, bringing the number up to twenty-three. Mr. McKay of Akate was over in this district Wednesday after a corn

planter. He is planting some fifty acres to corn and beans this year. Lee Hedgepeth of Sams Valley is employed at the Modoc orchard.

Miss Myrtle Byrum and Miss Vivian Rankins are visiting relatives and attending the school rally in the Applegate district.

Last Friday the Agate school closed for the summer vacation and in the evening a farewell party was given the two teachers, Miss Frances Aiken and Miss Grace Myers. Mrs. Aiken and Miss Myers are members of our Red Cross auxiliary and are liberal contributors to the Y. M. C. A. work in this district, being always ready to help out a good cause.

Because of the death of R. M. Stocker at Honesdale, Pa., on April 21, Mr. Stocker's property in this district, which is in charge of R. E. Nealon, has been will ed to his son.

A meeting will be called at Gardner's hall in Sams Valley Saturday evening, for the purpose of forming one kind of community organization. Those in this district who are interested in such matters are invited to attend. This is a move in the right direction and we should try to send a delegate to help our sister community in getting the good work started.

Last Sunday Rev. Bandy preached an excellent sermon at the school house and will continue to hold services here every two weeks at 3 o'clock in the afternoon. Mr. Bandy is strong on community building and personal efficiency, and some of his sermons if put into book form, would find ready sale. We should avail ourselves of the opportunity to hear them.

SAMS VALLEY

F. K. Deuel of Medford is frequently visiting his ranch here, where he has recently placed several head of choice milk cows. Mr. Deuel intends not only to increase his herd of milk cows but also to make extensive improvements on the ranch.

W. A. Tresham and son, Harry, were doing business in Central Point. The many friends of Robt. Burch were shocked by his sudden death last Thursday. Mr. Burch had suffered some time from heart trouble for which he was being treated at the Sacred Heart hospital in Medford at the

time of his death. He had made his home here for the past ten years and will be greatly missed. Mr. Deering, the missionary minister of Portland, was calling again on Mr. Strauss Sunday and while here was visited by other German friends whose acquaintance he made while here before.

Mr. Walker was out from the Star Meat market of Medford gathering up beef cattle this week. Many from here commenced the Gold Hill high school attendance exercises Wednesday evening. Miss Loretta Hougham of our precinct was one of the graduates.

Otis Olsson of Kansas Creek is employed on the Deuel and Strang ranch putting in fencing. Five pupils of our school were applicants for eighth grade diplomas this spring. They seemed to feel pretty confident over all excepting arithmetic, which was reported as difficult for applicants in many other districts.

Mrs. C. W. Sage returned to Table Rock Wednesday after a few days visit with Mr. O. T. Wilson and family. Frank DeFord killed a very large coyote near his premises last week. A meeting will be held at the Gardner hall June 2 with Mr. Cate, our pathologist presiding, for the purpose of organizing a farmers' grange, comprising this and Table Rock, Antioch and Beagle districts. Members from these districts are urgently requested to attend. Such organizations as this are needed in our communities for the welfare of the farmer and not until he has realized this will he get the square deal which should be coming to him in the market world. Remember the date, June 2.

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

Let folks stop on your feet hereafter; wear shoes a size smaller if you like, for cats will never again send electric sparks of pain through you, according to the Cincinnati authority. He says that a few drops of a drug called freezeone, applied directly upon a tender, aching corn, instantly relieves soreness, and soon the entire corn, root and all, lifts right out. This drug is a sticky ether compound, but dries at once and simply shrivels up the corn without inflaming or even irritating the surrounding tissue. It is claimed that a quarter of an ounce of freezeone obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels.
