# PREPAREDNESS IS ECONOMY

The average business man has not the time to look after his automobile properly.

Little things that need fixing are ice for many family cars. Why let go. The old adage: A stitch in time saves nine applies particularly to an automobile.

The Crater Lake Garage does service to an automobile. Because they have five mechanics employed that do their best to please the public, and are able to turn out work with quickness and dispatch. What an automobilist wants is service and the Crater Lake Garage and Machine Shops know how to give it.
