SACRAMENTO, May 29.—Provision for women to serve on juries is made in a bill by Senator Frank Benson, signed today by Governor Stephens. The measure changes the law, which previously defined trial juries, grand juries and inquest juries as "a body of men," to read "a body of persons," or "citizens," so that juries may be drawn from either sex.

ARE PROPRIETARY MEDICINES FRAUDULENT?

Undoubtedly, there may be some that are, but on the other hand, there are many proprietary remedies that are as standard as any prescription that any present day physician can write, and in thousands of homes you will find these old, reliable remedies in every day use with satisfactory results. Such a medicine is Lydia E. Pinkham's Vegetable Compound, which for nearly 40 years has been alleviating the suffering of woman-kind, and overcoming some of the most serious ailments of her sex. If you are suffering from any of the ailments of women, just give this medicine a trial and prove its worth for yourself.
