

GRIZZLIES NAME MOUNTAIN AFTER WILL G. STEEL

Last Sunday about 6:30 a. m. a party of 19 including Grizzlies, a few of their friends and two "Mazamas" of Portland, left the Garnett-Corey building on Ends' auto truck and were taken via Tlent up Anderson's creek from where they climbed to the top of the Siskiyou peaks for the purpose of naming the mountain "Steel" in honor of Mr. William Gladstone Steel of Medford.

After climbing from peak to peak for about four hours the party reached a height which on a geological survey map has an altitude of 5001 feet, and which is located in the southwest corner of section 1, township 39, range 2 West of Willamette meridian, approximately 8 miles south and two miles west of Medford.

The party returned home about 8 p. m. feeling that the day spent with nature, viewing the wonders of the Siskiyou and Coast ranges was well spent.

AT THE BUNGALOW NEXT TUESDAY NIGHT

The Bungalow, the great Ashland Park place for amusements and recreation, will be opened formally for the season by E. N. Butler, the popular Ashland confectioner and caterer, on Tuesday night, June 5, which is the army registration day.

On next Tuesday night the Bungalow will be opened with a grand ball, at which Ashland's peerless orchestra, led by Prof. Loveland, the band leader, will thrill the dancers with the newest steps.

It is Medford's park and Medford's Bungalow and Medford's dance, on this and all occasions, as much as anybody else's. Everybody is invited to be there.

A hand concert will be given in the park on Sunday at 3 o'clock in the afternoon.

Be ready for Tuesday night.

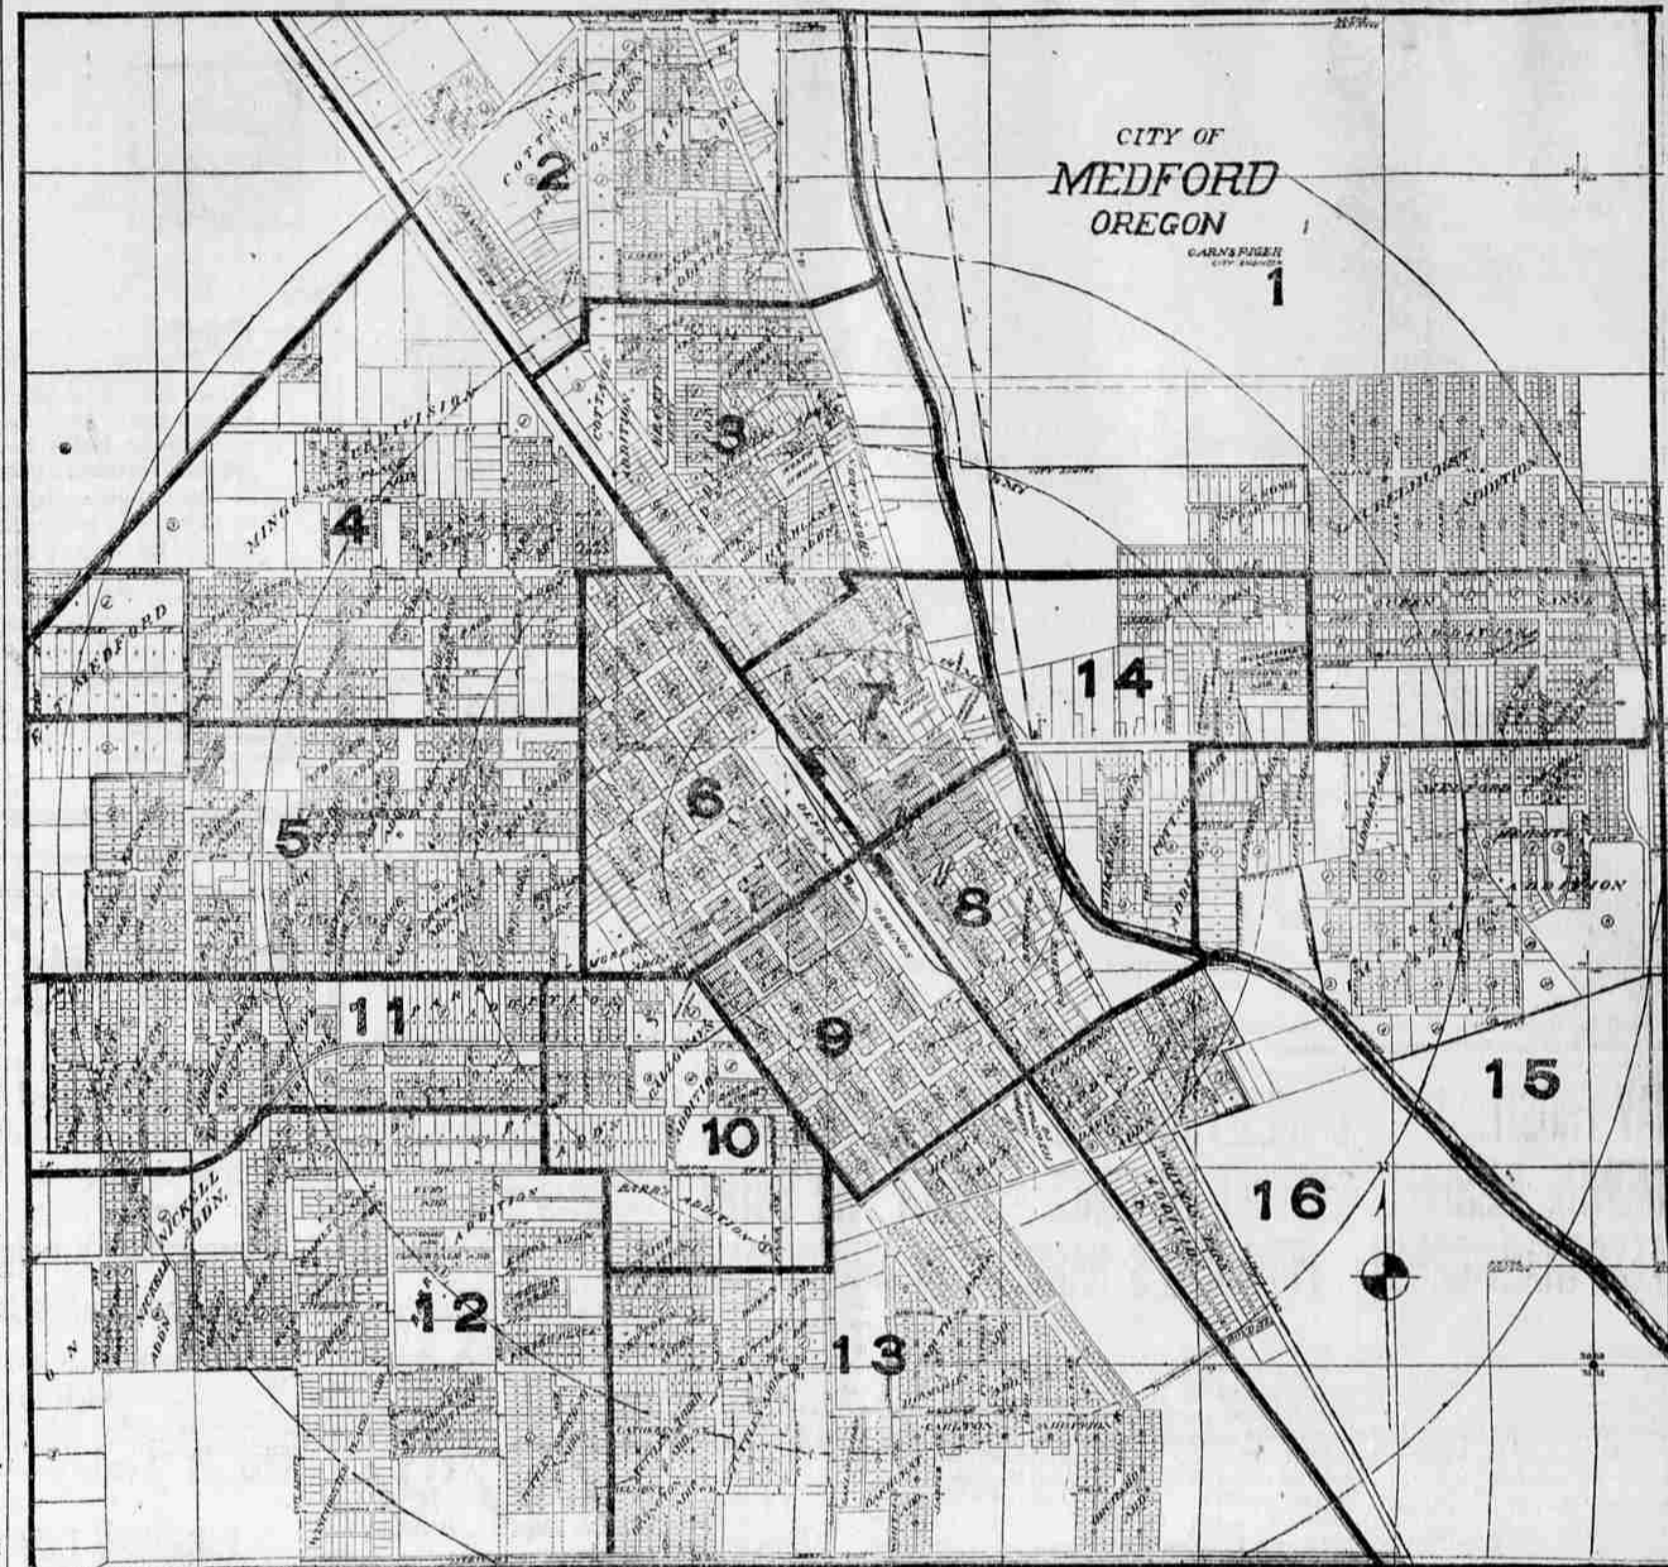

CITY COUNCIL PREPARES TO ADOPT HANSEN PLAN

At a special meeting of the city council last night, the first step toward adjusting city finances to conform with the Hansen plan was made by the first reading of an ordinance which consolidates the lien docket combining all assessments under one head as a basis for new bonds and new collections and creating one consolidated improvement district out of the former 288 districts.

A date will be set in this ordinance before its final passage for giving notice of the new order allowing a period of fifteen days during which all property owners may pay any part or all of their paving assessments. What is unpaid will constitute a basis for the refunding bonds and new liens on property.

In addition to the first reading of the above ordinance, a second ordinance ratifying and confirming certain changes in the lien docket was read and discussion continued late in the evening regarding the suit against the Hansen plan which will be heard before Circuit Judge Calkins.
