

TIME TO SPRAY FOR CODLING MOTH SAYS PATHOLOGIST

Codling Moth Spraying.—The first codling moth eggs were laid about the latter part of May and egg laying has continued since until Sunday evening when it was too cool and evidently the same condition is going to prevail today.

In orchards where an arsenate of lead spray has not been applied within the last ten days spraying should commence at once in order to have the fruit protected.

Four pounds arsenate of lead paste per 100 gallons of water or two pounds of the powdered arsenate of lead to 100 gallons of water is the proper strength to use.

Both pear and apple orchards that are badly infested with scab should be sprayed at this time with the combination spray. Lime sulfur 1 to 50 on pears and 1 to 40 on apples, plus the regular arsenate of lead.

For special sprays call at the office for information.

COUNTY PATHOLOGIST. Dated June 11, 1917.

WASHINGTON, June 11.—In the South Dakota express rate the supreme court today annulled in part, so far as they exceeded the state's powers, injunctions of state court against the American and Wells Fargo Express companies which required them to maintain certain lower intrastate rates despite interstate commerce commission tariffs permitting higher rates to prevent discrimination against Sioux City, Iowa.

The court thru Justice Brandeis, re-affirmed its ruling in the celebrated Shreveport rate case and held that the federal commission, in regulating interstate rates has power to disturb intrastate rates fixed by local state authorities.

Miss Theresa Ellestead has returned home after teaching a successful term of school in Josephine county.

The Knights and Ladies of Security at their last meeting has as their guests little Miss Pankey, baby daughter of Mr. and Mrs. George Pankey. After the business meeting of the order, the parents were very much surprised when the little Miss was presented with a beautiful bracelet, after which refreshments were served consisting of ice cream and cake.

Mr. Anthony, Mrs. Hawk and Mr. and Mrs. Ernest motored out to the desert Sunday where they had a most enjoyable time hunting agates, having a picnic dinner, and also calling at the Carlton home in Eagle Point in the afternoon.

Will Thompson, who has been working at Weed, has joined his family here where he will reside in the future.

Mr. and Mrs. J. H. Carlton were in Tuesday from their Antelope home visiting friends.

Many from here attended the carnival at Medford and pronounce it the best that Medford has ever had.

Dolph Carlton of Ashland spent a few hours here Tuesday attending to business matters.

All our young ladies and girls are still busy thinning fruit.

The many friends of D. C. Grim were very much pleased to see him on the street again this week.

Miss Lester, one of the teachers in our schools, left Sunday evening for Ohio where she will spend her vacation visiting relatives and friends.

R. H. Moore made a business trip down the valley Wednesday.
