

DOLLAR DAYS

NINE TIMES AS IMPORTANT AS DOLLAR DAY
A New and Highly Developed Event Lasting Nine Days, Featuring
Bargains at \$1.00 That Will Surpass Your Fondest Hopes

The good "Dollar Day" has gone! In its place comes the new "Dollar Days" event offering greater-than-ever-dollar bargains for nine days instead of for just one. Rain, threatening weather, an important engagement, temporary illness or some urgent business may have kept you away from the store during our last "Dollar Day," making it impossible for you to get your share of the remarkable bargains offered. Surely nothing can keep you away from the store during the nine days of this "Dollar Days" event.

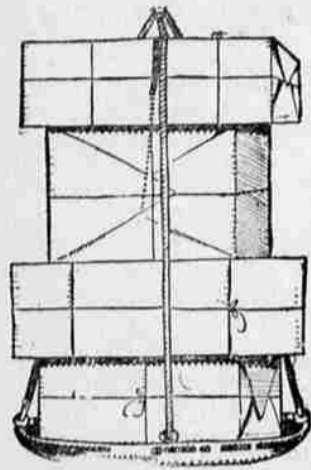

THESE "DOLLAR DAY" bargains are truly remarkable! Wholesale prices are still going up under war influences and good goods are scarce at any price in the wholesale and retail markets today. Here you are offered choice, seasonable goods of absolutely dependable quality and correct style at 25c to \$1.00 or even \$2.00 less than real value!

Even Though Practically Everyone's Income is Larger Than Ever, No Woman Can Afford to Overlook These Unprecedented Economies

"Dollar Days," therefore, prove conclusively that we are going to give you the greatest amount of value for your money even in times of prosperity.

Weigh your dollars carefully. Economists tell us that lasting prosperity is in the hands of the people—that really no one prospers from the money unwisely spent. And it is true!

"Dollar Days" is an admirable example of how to spend money wisely and insure lasting prosperity.
