

ASHLAND MORE THAN DOUBLES RED CROSS FUND

Alloted \$5000. Subscriptions Total \$10,500 From 2000 Contributors— Ten Subscribers of \$250 Each— Strong Rivalry Between Nine Teams—Parade Celebrates Result.

ASHLAND, June 25.—More than doubly subscribed is the result of the Red Cross drive as far as the Ashland district is concerned. The amount listed at 4 o'clock Saturday afternoon was nearly \$10,500. The campaign virtually closed Saturday night, although the lists were kept open until noon of June 25, that being the formal closing hour.

Subscriptions ranged from \$250 to sums less than a dollar. Approximately there were 2000 contributors, so that the average donation was between \$5 and \$6. Ten individuals or corporations in this city led off with subscriptions of \$250 each. The various affiliations of the Masonic order contributed \$160. Team No. 6, known as the "Melodist Exhorters," proved to be the banner campaigners, having secured pledges of \$1191.87. Every member of this team was a "howling Methodist," from the members of the official board to the local preacher.

Team No. 1, however, was a close second, with \$1155.75 to its credit. Missing returns from a few precincts may result in a tie in this particular, and much good natured rivalry over final developments. Among the local clergy Father Conaty of the Catholic church was the largest contributor. As much as the ladies of the various churches rendered such efficient service during the week in serving dinners to the army of canvassers and office help, no contributions were solicited from the churches as organizations, the matter of giving being left to individual inclination. The number of those abundantly able to give but who positively refused to contribute did not exceed a half dozen. Two spiritually inclined had visions that the war would be over in three months, another "wasn't appreciated in his home town," while a fourth under protest finally subscribed one plank. There is talk of raising a purse to reimburse him in this amount.

Canvassing Teams. Canvassing teams through the week were as follows: Team No. 1. Mrs. Frank Diekey, captain; Mrs. Roberta Everton, Mrs. W. L. Maxey, C. W. Winne, Joe Poor, A. H. Praecht, Dr. Parson. Team No. 2. Otto Klum, captain; E. R. Greive, John Matten, Barton Bowers. Team No. 3. Frank Jordan, captain; Hal McNair, S. Patterson, Chas. Robertson. Team No. 4. E. T. Staples, captain; Otto Winter, C. W. Banta. Team No. 5. Homer Billings, captain; Clark Bush, John Patty, O. P. Carson. Team No. 6. W. D. Hodgson, captain; F. S. Engle, A. M. Beaver, Rev. W. J. Douglass. Team No. 7. A. E. Kinney, captain; F. D. Wagner, W. Newcombe, John Rigg, F. F. Whittle. Team No. 8. J. B. Wimer, captain; H. C. Galey, Clarence Lane, L. A. Roberts. Team No. 9. F. C. Homes, captain; A. C. Joy, Mrs. F. C. Homes.

When the final returns began coming in on Saturday afternoon, there was talk of holding a ratification meeting, and this found expression in a parade in the evening with 100 autos in line, many of them being gaily decorated; in fact the procession assumed Fourth of July proportions. Musical accompaniments, aside from the band, were on the kazoo and megaphone order. Members of the Red Cross appeared in uniform. Banners proclaimed "Both Liberty Bonds and Red Cross Demands Oversubscribed." "We Are With You, Uncle Sam." "Hold the Fort, Ashland's Coming." An opportune and pertinent suggestion was the admonition, "Bind Us the

Nation's Wounds." After parading the main portion of town the procession visited Talent, Phoenix and Medford, heralding the success of the Ashland district's participation in the memorable Red Cross drive.

WARSAW UNIVERSITY CLOSED BY GOVERNOR

BERLIN, June 25.—The Vossische Zeitung learns that General Hans II. Von Bessler, governor general of the German occupied territory in Russia, has closed Warsaw university and the polytechnic institute because of a student strike dating back to last May. As the result of a street row several students were arrested for disturbing the peace but subsequently released. The entire student body then proclaimed a sympathy strike on the ground that their dignity and national honor had been offended.

STEAMER ORTOLAN SUNK BY U-BOAT

MONTREAL, June 25.—The British steamship Ortolan, a vessel of 2145 tons gross owned by the General Steam Navigation company of London, was torpedoed and sunk by a German submarine June 14 and three members of her crew lost their lives according to survivors of the ship who arrived today. An American vessel which was about four miles from the scene of the sinking came to the rescue and several floats were fired at the submarine from guns on board that ship.

WOMAN SOLVES N. Y. MYSTERY

"New York does not know how systematized the danger is for the girls of our city," she says. "Girls disappear in this city and a too-ready public instantly says at least the girl was half as much to blame as the man. But I can tell you otherwise." In one year, 829 persons disappeared from the streets of the big city and were never heard from again. In three of its five boroughs, 244 murders occurred and many remain unsolved.

These conditions indicate either that New York is the most criminal city in the world, or the police force is inefficient. Mrs. Humiston's revelations of the inactivity of the police in the Ruth Cruger case have again aroused the suspicion that they are still protecting criminals instead of the public.

Blocked by Police. "I found myself blocked by some mysterious person at every step," said Mrs. Humiston discussing her difficulties in tracing Ruth Cruger against the apparent will of the police. Mrs. Humiston has done remarkable work as a lawyer. She saved Charles P. Steirow from the electric chair three times. She helped prosecute the peonage cases in the southern turpentine swamps in 1906 and in 1907. Her maiden name was Mary Grace Winterman and she is a member of an old New York family. In 1905 she founded the People's Law Firm, where poor people could secure expert legal aid for a small sum.

COMMUNICATION

To the Editor: My attention has been called to certain statements I made in my open letter to Lawyer W. E. Phipps, which are as follows: "He should be interested and be deprived of his citizenship; that he is a pro-German, lacks patriotism and is guilty of cowardice;" and that I have done him a personal injury and assailed his loyalty to his country. I wish to say that, after learning more about what transpired between him and members of the school board, I withdraw those charges, as they were based on mere hearsay and not on any personal knowledge either of Mr. Phipps or of the above transaction.

I notice from his letter that he has already contributed to the work of the Red Cross and this puts his attitude regarding the same in an entirely different light, and that he has always been considered as a good American citizen.

Respectfully, DR. J. LAWRENCE HILL

Men Welcome Mother's Friend

The husband in wife worried over the condition of his wife during her period of expectancy. The thought that he is helpless to relieve her physical suffering and discomfort caused him great distress. "Mother's Friend" is a safe external lubricant which penetrates to the fine network of nerves beneath the skin of the abdomen. It has a marked tendency to relieve the muscular strain to which these broad, flat abdominal muscles are subjected. If husbands will secure for the expectant mother a bottle of "Mother's Friend" from their druggist, they will find that they have aided to a very great degree in relieving much of the discomfort during pregnancy and pain at the crisis. The mother should apply "Mother's Friend" every night and morning, right up until the time of giving birth to the child. By aiding nature in its pre-natal work the mother will experience much less pain. Every mother should have the free book prepared for users of "Mother's Friend." It concerns her health and well-being during and after the crisis. Write to Bradford Regulator Company, Dept. D, 445 Atlanta, Ga. Get a bottle of "Mother's Friend" today.
