

ASHLAND DAY AT CHAUTAUQUA WELL ATTENDED

ASHLAND, July 16.—Today was Ashland event in the Chautauqua calendar. In the morning there was a lecture by F. G. Brainerd, followed by the Junior Chautauqua, an innovation in the curriculum this year in which the younger element conducts a sort of informal program during the morning hours.

Saturday's Program. Harking back to the events of Saturday's program, deserved mention should be made of the Davenny Festival Quintet, an organization of the highest grade which appeared twice on that date, rendering operatic, folk songs and popular selections in a charming manner.

Union Services Sunday. Union services were held on Sunday morning. The big flag, 40x75 feet in size, was suspended from the roof of the new auditorium.

Tuesday, Civic Day. Tuesday will be "Civic Day," and as the name implies, there will be lectures on "Taxation" and "The Land Question," by Francis Lybarger, author, lawyer, sociologist and educator, who in reference to the foregoing subjects assumes the role of an economist.

Among morning classes, Prof. Berchold and Dr. Wheeler conduct studies at 9 a. m., Dr. Hall at 10 a. m. and Dr. Leonard at 1:30 p. m., these being held in the Chautauqua annex. The W. C. T. U. meets in the main auditorium at 10 a. m. Athletic classes are held from 8 to 10 a. m.

By using S. S. S. The germs of Rheumatism are in the blood, which is laden with millions of the minute demons of pain, causing untold suffering and bringing its victim from vigor and strength to almost helplessness.

the facial expression of Dr. Williams, who lectured last Saturday was likened unto that of President Wilson, while others discovered in Dr. Matthews a physical stature and stage characteristics resembling those of Theodore Tilton, noted author and lecturer of a past generation.

TACOMA, Wn., July 16.—Shingle mills in Tacoma and vicinity, employing between 300 and 500 men were closed down this morning, the date on which the International Shingle Weavers' union announced that a strike would be called unless the employers needed to their demand for an eight hour day.

Among the shingle mills on the Tacoma Eastern which were closed down this morning were those of the Young Lumber company, through the Lake Lumber company, Eatonville Lumber company and Elbe Lumber company. The shingle mill of the St. Paul and Tacoma Lumber company was not running this morning, but it was announced that the mill had been closed down because of a shortage of cedar logs.

Another one of the large fruit marketing firms of the country, Denney & Co., have opened an office in Medford and are going after a share of the business of the valley. SLAVS ACTIVE ENTIRE FRONT

to Dolina lies along the Stanislaus-Tryj line. An advance here means considerable bearing in the movement now under way, intended to throw General Von Bohem Ermilli's army back against the Carpathians. On Western Front. The hard fighting that has marked the last few days along the French front in northern France still continues. Last night the Germans made desperate attempts to regain the important observation posts they lost when the French on Saturday night took a strongly fortified position in the vicinity of Mont Haut, and the Teton.

TACOMA TROLLEYS TIED UP BY STRIKE

TACOMA, July 16.—Not a street car was running today for Tacoma city traffic today as the result of the failure of the Tacoma railway and power company and its employees to get together and settle their differences last evening.

More than 300 men in various departments of the company organization, members of the newly organized union, refused to go to work following the announcement last evening by Manager L. H. Bean, that the company refused to reinstate when the union organization alleged were discharged because of their union activities.

Interurban trains to Seattle and way points were running as usual. These cars are operated by crews who are members of the trainmen's organizations and are not affected by the Tacoma controversy. There has been no violence and the union representatives say there will be none tolerated.

NO INDEPENDENCE FOR BOHEMIANS

AMSTERDAM, July 15.—It is reported from Vienna that the German and Hungarian members of the upper and lower houses of the Austrian parliament have adopted jointly a resolution setting forth their desire for peace within the country and the possibility of living side by side with the Czechs without abridgment of the "national self-determination" of both elements. The resolution says, however, that a separate Bohemian constitution would not be recognized.

INDUSTRIAL WORKERS JAILED AT MOSCOW

MOSCOW, Idaho, July 16.—Nineteen alleged members of the Industrial Workers of the World were put in jail here today by Sheriff J. J. Campbell, who brought the men from Bovill. No charge has been placed against them. The sheriff said he and his deputies took charge of the men after the citizens of Bovill, where the Industrial Workers of the

World have called strikes on the logging camps, had said they were afraid to go into the woods and fight timber fires and leave their families at the mercy of the strikers.

Governor Alexander of Idaho arrived at Bovill yesterday with Sheriff Campbell and remained there overnight giving orders that all pickets put out by the Industrial Workers of the World to keep men from going to work in the logging camps, be arrested.

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but not permanently. Doan's Kidney Pills have brought lasting results to thousands. Here is proof of merit from this vicinity.

Erna Arnold, Applegate Road, Jacksonville, Oregon, says: "Doan's Kidney Pills helped me wonderfully and I give them my public endorsement with pleasure. My back bothered me for five or six months, a dull pain settling thru my kidneys and down into the groin. My kidneys acted irregularly and I had to get up often at night on that account. I was told to try Doan's Kidney Pills and did so with fine results. They soon rid me of all the trouble and my kidneys have bothered me very little since."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Arnold had. Foster-Milburn Co., Props., Buffalo, N. Y.
