Leonard, and remarks by John H. Faler, county superintendent of Sunday schools. There was a concert at 3 p. m. In the evening "The Animated Toy Shop," a beautiful pantomime, with splendid singing accompaniments, will be merged with the all-nations pageant, as staged by Miss F. Irene Peck, with Miss Edna Dougherty at the piano. This will be the grand finale of the 1917 assembly season, and takes the place of the customary "circus" of previous years. The musical event of the present assembly, from the standpoint of the soloists' accomplishments, was the appearance of James Goddard, the world's greatest baritone, in a grand concert on Thursday evening. Goddard's six and one-half feet of heroic stature is in line with his extraordinary vocal powers, and he is a typical prodigious genius, meriting past and present associations with the leading operatic constellations of both Europe and America. The attendance at this concert was one of the largest in the series of entertainments. Mr. and Mrs. A. A. Shideler of Los Angeles have been recent visitors at the H. L. Whitel home. Mrs. Shideler, who was formerly Miss Charlotte Colton, is a sister of Mrs. Whitel. Lew Van Wegen and three associates have gone to the vicinity of Calgary, Alberta, lured there by the phenomenal pay which expert mechanics are said to receive in the Canadian northwest. Van Wegen lived in the Alberta province at one time for about five years. The merry-go-round and Ferris wheel, reminders of the Roundup celebration, have at last been shipped out of town to other mansement fields. Their continued presence here near the Chautauqua grounds was by many considered not quite in harmony with the assembly's uplifting and educational environment. The remains of two does were recently discovered in Ashland canyon, the deer having been ruthlessly shot in wanton recklessness. Miss Anna Turley, domestic science expert of the Oregon agricultural college, and C. C. Cate, county pathologist, demonstrated processes of canning and drying fruits and vegetables in Lithia park on Wednesday. This exemplification, tho not in the Chautauqua course proper, was opportune in view of the number of visitors present attending the assembly gathering. A reception to First company will be given at Elks' hall on Monday evening, July 23. The Red Cross membership, Honor Guard girls and near relatives and friends of the soldier boys are invited. In addition to the social hours previous to the farewells being spoken, there will be games and dancing. The "mobilization" of well wishers of the soldiers will be a big event and the classifications as above outlined will be cordially welcome to attend. The Red Cross committee in the Ashland field has made a comprehensive report of its activities during the memorable drive week. Bellevue-Talent and Phoenix were included in this territory. Total subscriptions were \$10,707.21, contributed by 1380 donors. Average amount of each subscription, \$7.75. Cash was received

in the sum of \$7332.56, and pledges call for in due season \$33,74.65. Ashland had 1058 subscriptions amounting to \$9027.61; Bellevue, 43, \$490; Talent, 170, \$668.10; Phoenix, 109, \$821.50. The total expense connected with the drive was under \$75. E. V. Carter was chairman of the committee, assisted by Mrs. A. M. Pracht, Messrs. F. E. Watson, P. K. Hammond, W. W. Caldwell and H. L. Whitel. Prof. Hall of the Chautauqua faculty, will preach in the Methodist church on Sunday morning.

Sure! High Heels Cause Corns But Who Cares Now
Because style decrees that women crowd and buckle up their tender toes in high heel footwear they suffer from corns, then they cut and trim at these painful pests which merely makes the corn grow hard. This suicidal habit may cause lockjaw and women are warned to stop it. A few drops of a drug called freeze-one applied directly upon a sore corn gives quick relief and soon the entire corn, root and all, lifts out without pain. Ask the drug store man for a quart of an ounce of freeze-one, which costs very little but is sufficient to remove every hard or soft corn or callus from one's feet. This drug is an ether compound and dries in a moment and simply shrivels up the corn without inflaming or even irritating the surrounding tissue or skin. Clip this out and pin on your wife's dresser.
