# THE MAN BEHIND

Dear Sir: You NEED a car. Let us introduce the ELCAR, Man to make more time possible "on-the-job" and less "on the move, The ELCAR will do this, and then General Sherman said all work

and no play is "not good for a soldier, neither is it good for you." A car solves the recreation as well as the more-work problem and takes the wife and kiddles in on the joy-time to-boot, and let me say right here that for an honest-to-goodness joy-jog the ELCAR is

You can afford to have a car, in fact, you can't afford to be with-

doubt you remember the old buggy, carriage or spring wagon on your grandfather's ranch; you remember the name plate on the back axle from which you used to rub the dust and spell the name "Elk hart Carriage Co." when you were a boy? Well, the name is there yet, and just think, it was in 1847 when the company first placed this name plate on the good rigs of this country,

tomobiles, and as they had been building the better class of rigs for about 60 years, they were in a better position than most manufacturers to know just what kind of a car would stand the road test and as a result they produced the ELCAR, a car which is worthy of their

You know the value of experience in any line and for a banz-up down-to-the-minute joy-buggy, the 45LCAR has just put-the-skids under ear trouble of all kinds, and from the time that you step-on-the starter until you arrive, the ELCAR answers the throatie with the heart-throbs-of-a-thoroughbred and unconsciously you begin to trust In the ability of The Man Behind, who was road-wise, and then amain when you see the pleased-to-be-here expression on the face of the lady in the back seat, you will know that the ELCAR'S suring are some thing more than just mere shock absorbers. The ELCAR is the result of To years building vehicles and hine years buildings cars. BUY ONE AND DON'T WORRY.
