The cloudy sky and smoke haze which held back the fierce rays of the burning sun today was most welcome in the city and valley following the hot spell of the past few days. Thursday the thermometer reached 105 degrees about 4 p. m., which was four degrees warmer than the day before. The heavy smoke now hanging over the valley is not from forest fires in this county or district for there are none of any consequence and have not been for several days. The smoke none of any consequence and have is thought to have drifted from the big forest fires in Douglas county and the fires in Josephine county.

DIED

GOODALE—Mrs. Randilla Goodale, wife of Henry W. Goodale, died suddenly at her home, corner of 10th and Orange streets, at 7:30 o'clock Friday morning following an illness of many months with dropsy. Altho it was known for a long time that she could not live, yet her death at this time was totally unexpected. In fact her condition the past week or so had apparently so greatly improved that her many friends had begun to entertain hopes of her ultimate recovery.

Mrs. Goodale had just finished eating her breakfast when without any previous warning, she collapsed and fell into her husband's arms. Funeral arrangements will be announced later. The burial will be in the I. O. O. F. cemetery of this city. Mrs. Goodale was a member of the Methodist church and of the auxiliary of the United Workmen fraternal order.

Mrs. Goodale was 54 years and 27 days old. She was a native of Carman, Maine, and came to Medford in 1908 from Valley City, North Dakota, with her husband and children. Besides her husband she leaves three children, who are Milo Goodale of Renier, Wash., and Frank Goodale of Hall, Idaho, and Mrs. Ina Wilson of Rogue River, Ore.
