Final arrangements for the dramatic and musical entertainment to be given Monday evening at the Page theatre for the benefit of the Seventh Company have been completed. No efforts have been spared to make it thoroughly enjoyable and to fully compensate those in attendance. The program follows: Overture, "It's Fine For My Boy to Be a Soldier"; orchestra, under direction of Harry Howell, (a) "Mou Cœur s'ouvre a ta voix" from "Samson et Dalila" by Saint-Saens; (b) La Marseillaise, Miss Adele Brault, accompanist, Gene Hampton Isaacs; Piano solo, "Tarantelle", Leschetizky, Irene Hampton Isaacs; (1) The Eagle, Carl Busch; (2) A Philosophy, Emmell, William Vawter; Dwarf March, Grieg, Irene Hampton Isaacs and orchestra, "Goodbye Broadway, Hello France," orchestra, intermission. Mrs. Shaw is a Jackson county girl, having lived at Jacksonville for several years where she was a popular teacher in the public schools. Mr. and Mrs. Shaw are spending their honeymoon in an auto trip through Southern California after which they will be at home in Chowchilla, where Mr. Shaw owns and operates a drug store.

The C. W. B. M. will meet at the home of Mrs. D. W. Driskell, 836 E. Main on Wednesday, September 5th, at 2 p. m. A special invitation is given to the ladies of the church and all others interested in missionary work. Mrs. Darnell will give a report of the state convention held at Turner at this time. Mrs. J. H. Bellinger will have charge of the program.

Mrs. P. W. Hamill entertained at Incheon Tuesday complimenting Mrs. Preston of San Francisco. The guests were: Mrs. Preston, Mrs. Burtz, Mrs. Lewis, Mrs. L. McCormack, Mrs. Leonard Carpenter, Mrs. W. L. Hallaway, and Mrs. Frank Owen.

Thursday evening Mr. and Mrs. George Collins entertained with dinner at the Medford for a few friends which was followed by a theatre party at the Rialto.

Mrs. Stewart Patterson entertained with six tables of bridge Tuesday afternoon for Mrs. Preston of San Francisco and Mrs. Lewis.

Mrs. T. E. Daniels was hostess to the Nullo Club Thursday afternoon.

The College Women's club will meet at the home of Mrs. E. H. Porter Saturday, September 8, the first of the monthly meetings after the summer vacation season. As usual the session will be chiefly social, with a short program, on this occasion, of patriotic verse and song. It is hoped that all college women of the valley will interest themselves in the club which has taken as its special task the assistance of high school and college students, by means of home-finding and a loan fund. The requirements for membership in the club are not less than one year's work at an accredited college, following four years' high school or its equivalent, the college year to carry at least 30 credits. Applicants for membership are expected to have a statement from the College Registrar as to the amount of work done. Officers for the coming year are: President, Mrs. L. E. Williams; Vice President, Mrs. Olen Arnsperger; Secretary, Miss Julia Fielder; Treasurer, Miss Mitchell; Program, Mrs. R. B. Hammond; Social, Mrs. E. H. Porter; High School, Mrs. Jas. Campbell; Membership, Dr. Eva M. Carlson; Loan fund, Mrs. C. H. McCurdy.

The regular monthly Home Coming at the First M. E. Ladies' Aid met Wednesday afternoon at the church. In the absence of the president and secretary, Mrs. Heine and Mrs. Van Seoyoe presided. After the business sessions Mrs. Heine requested that Mrs. J. C. Rollins come forward and receive a fancy silk bag containing various pieces of silver amounting to \$5.00 given by each circle of the Ladies Aid. Mrs. Heine explained it was just a remembrance the ladies wished to present her. Mrs. Rollins in her pleasant way thanked the ladies. She will be absent two or three weeks, visiting her two sons at Portland and Albany. A program entitled "War News" followed: "Our Boys at Ft. Stevens," Mrs. W. M. Van Seoyoe; readings from various magazines and newspapers by Mrs. W. F. Brown, Mrs. Conklin and Mrs. Manning. This program was very interesting. The East Side circle then served refreshments.

Mrs. Lynette Hovions, who has been head of the Medford Conservatory for the past two years, left Friday for Tacoma where she will be professor of public speaking in Puget Sound college. The conservatory was a success from the start, 192 registering for work the first year, 250 people registering in 1916-17. The first year the conservatory put on The Pageant at Ashland before an audience of 3000 people. The recitals given at the studio were popular among Medford people as well as those from neighboring towns. This year a folk play given by 30 children from conservatory classes in the Page theatre was an artistic success. However, Mrs. Hovions feels that the college and larger city offer greater opportunity for her work.

Mrs. Chas. Manning entertained the W. C. T. U. at her home on Welch street Thursday afternoon. The hostesses' rooms were a bower of roses. An invitation to attend the Josephine county convention to be held at Grants Pass September 7 was accepted. Delegates were appointed to attend the Jackson county convention which will be held at Ashland September 14. Mrs. Heine read an interesting paper which gave the mothers food for much thought and study. A reading, "Mother," was given by Mrs. McDonald. Mrs. Manning read an original poem on Mothers. A vocal solo was sung by Harry Manning which delighted those in attendance. Refreshments were served by the hostess, assisted by Mrs. Boyce.

Warner, chairman; Mrs. Clay, vice chairman; Miss Louise Burke, secretary; Miss Mildred Antle, treasurer.

## 10,000 SERB GIRLS DEPORTED FOR USE IN TURKISH HAREMS

LONDON, Aug. 15.—(Correspondence of the Associated Press.)—Ten thousand Serbian girls from 10 to 14 years old have been kidnapped and deported from Serbia to harems of Constantinople, to Bulgaria, and to Asia Minor, says the Serbian premier, M. Pashitch, who is now in London.  
"These deportations," says M. Pashitch, "have been going on since February, 1916, but the number was very limited until a few weeks ago. Now it has been systematized under Bulgarian controllers, and it is impossible to predict how far it will go."  
"Eight thousand girls have been sent to Constantinople, and two thousand more to Bulgaria and Asia Minor. Prisoners whom we have taken on the Saloniki front tell us that the traffic in our girlhood has grown to be a byword in Bulgaria and Turkey."  
"The girls are kidnapped and taken away secretly, particularly from the smaller villages, until at quite dozens of small towns have been quite denuded of the young female population."

"I do not think that the Turks are the actual instigators of this gross violation of the rules of civilized warfare. All our information indicates that the Bulgarians are the prime movers and the Turks only incidental beneficiaries of the traffic."  
"The girls are too young to be of any use for laboring purposes; besides, neither Turkey nor Bulgaria is seriously handicapped for labor, and in Turkey the use of young women for outdoor work is practically unknown."

"It is very difficult for us to do anything to help these unfortunate victims. Our affairs in Constantinople and Sofia are now in the hands of the Dutch government, and we have made the most earnest possible protests through that government. But you know how difficult it is to get any action from Turkey. We have suggested, for instance, that some scheme of repatriation be put into effect immediately, that the girls should be sent back to some place beyond the war zone. But I fear it is too late to save them, and that we can only wait in patience until peace comes."

## GRAIN SHIPMENTS TO HOLLAND HELD UP BY AMERICA

AMSTERDAM, Sept. 1.—News has been received here that permission for the exportation of wheat and flour already loaded on ships in American ports for Holland has been refused. Announcement to this effect is made in an official communication to the communal authorities, explaining the latest reduction in the bread ration and earnestly urging economy.  
WASHINGTON, Sept. 1.—Negotiations for the export of grains to Holland have been interrupted by counter proposals on details being discussed between the food administration and The Netherlands minister, Chevalier Van Rappard.  
It was arranged last week that about 30 ships carrying grain had been released on condition that some of the food stuff be turned over for Belgian relief. The agreement has not been perfected because of counter proposals over the amount of grain to be diverted to Belgium.

## IRRITABLE NERVOUS

Was Condition of Indiana Lady Before Beginning to Take Card-u-i, the Woman's Tonic.

Kokomo, Ind.—Mrs. H. Hankemeier, of this town, says: "I look so well, and am so well, that it does not seem as if I ever needed Cardui. But I was not always this way... I think I have taken a dozen bottles... before my little girl came."

I was feeling dreadfully bad, had headache, backache, sick at my stomach, no energy... I was very irritable, too, and nervous.

I began taking Cardui about 6 months before my baby came. As a result all those bad feelings left me, and I just felt grand, just as if nothing at all was the matter, and when the end came I was hardly sick at all.  
Since that I have never taken Cardui at all... It has done me good, and I know it will help others, if they will only try it."

Many women have written grateful letters like the above, telling of the good that Cardui has done them. Why should it not help you, too? If you suffer from any of the ailments so common to women, and feel the need of a safe, reliable, strengthening tonic, we urge you to begin today and give Cardui a fair trial. Your dealer sells Cardui-1. EB-10
