OUR APPAREL SUPREMACY HAS NEVER BEEN MORE CLEARLY EVIDENCED THAN BY THESE New Dresses, Suits, Coats For Fall and Winter Wear

Our showing of fashionable apparel for fall and winter is too vast and too varied to permit of any but the most cursory mention here.

DRESSES

for street wear in the ever popular navy serge. Models range from simple straight line dresses to the more elaborate styles with embroidery, soutache or flat braid trimming.

SUITS

Great assortment of fall and winter suits including many novelty suits just arrived. Wollen custom-made suits are here exclusively in Medford.

BETTY WALES DRESSES

You'll find here many other models for school or street, also lovely dresses for semi-formal and evening wear, each a delight to the girl or miss who wants superiority in style, material and workmanship combined with youthful charm, refinement, good taste, and all at a most moderate price.

COATS

New models for street, afternoon and evening wear. Everything new and approved in coats will be found in our most complete showing.

Very elaborate street coats have large pockets, collars and cuffs of fur. Preferred materials are velour, Bolivia, pom pom and suede cloth, and there are many new satin finished materials.

JUST THE DRESS FOR COLLEGE

If you can have but one Betty Wales dress, let that one be the adorable model—the "Antigua"—here shown. Mannish French serge in navy or black, cut on the smart, youthful lines that make Betty Wales dresses so delightful.
