## PHONE CALL FOILS BURGLARS' EFFORTS

A burglar attempting to break into the house occupied by the families of Messrs. Percy and Moran, owners and managers of the Rialto theater, at 211 Laurel street, late Friday night was heard by the women in the house, who hurried to the phone to send in an emergency police call for help. The burglar heard them phoning and fled from the scene.

It was about midnight when the burglar was heard removing a screen from a side window, badly frightening the women. Night Officers Timothy and Gieseking quickly responded to the call for help, but after a thorough search of the premises and vicinity could get no trace of the burglar's whereabouts.

Investigation revealed the fact that the burglar had first tried to gain entrance to the rear of the house by cutting a hole in the back porch screen and reaching in and unlocking the door. He then entered on the porch, but on finding the back door locked securely, went around to the side of the house and began to quietly tear away the screen from the window.

The largest fruit sales of the year are reported by the Bardwell Fruit Co., who have sold \$50,000 worth of fruit in two days.

## TOURIST SEASON AT CRATER LAKE CLOSES TOMORROW

The official Crater lake season will come to an end Sunday night, when the hotels at both the upper and lower camps and other accommodations for the public will be closed, and the services of the summer park employes for the season will be dispensed with.

As this is the best month of the year at the lake, and the weather there a large part of September is beautiful, a number of visitors will probably yet visit the lake before prohibitive weather sets in. The road and trail building work will be continued until winter weather prevents.

The attendance at the lake this year up to Friday has numbered 11,366 persons, which is less than the number who visited the wonder resort last season. However, the number of autos entering the park was much larger than last season. The decreased attendance to the lake this summer and fall is attributed chiefly to the forest fires and smoke in the vicinity of Crater Lake park.

The attendance this season up to Friday by the various entrances was as follows: Medford entrance, autos 1337, people 5913.

Southern entrance, autos 937, people 3853.

Eastern entrance (estimated), autos 400, people 1600.

Total autos, 2674; total people, 11,366.

LIBRARY RAISES \$250 FOR SOLDIERS

The public library and the library board are gratified for the response which has met their efforts to raise Medford's proportion of the war library fund. At noon Saturday \$250 had been received and more will be turned in during the afternoon.

Phoenix, Eagle Point, and other out of town districts have contributed generously. At the Oak Grove school (west of town) the Boy Scouts collected quite a sum in nickels and pennies.

The library will be glad to accept this afternoon and evening contributions from any who have not already subscribed.

Cramps!

Says Mrs. Frank Hagler, of Carbondale, Ill.: "I was suffering terrible cramps and pains each month. I had used... but it didn't give any permanent relief. The pains came back on me just the same as before... After taking Cardui, I was entirely relieved from the pains, and have never been bothered with them since."

TAKE Cardui The Woman's Tonic

Cardui should help you as it did Mrs. Hagler, as it has helped thousands of other women who suffered from the pains and discomforts from which women suffer. Many medical authorities prescribe the ingredients of which Cardui is composed for the female troubles for which it is recommended. Why not try it for your trouble?

Mr. Tengwald is manager of the Holland hotel and cafe, secretary of the Westerlund orchards, and esteemed lecturing knight of the local Elks. He has had eight years experience in the National Guard in various parts of the country.

His two brothers are already in war service, Tad Tengwald being confidential stenographer to Major General Liggett at Camp Green, Charlotte, N. C., and Victor Tengwald having recently enlisted in some branch of the army at Denver, Colorado. They are nephews of John A. Westerlund.

A CHILD GETS CROSS, SICK AND FEVERISH WHEN CONSTIPATED

Look, Mother! If tongue is coated clean little liver and bowels.

If your little one's tongue is coated, it is a sure sign the stomach, liver and bowels need a gentle, thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, "constipated" waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine made by "California Fig Syrup Company."

Which Line are You in?

Here are pictured Two Lines in Life. One represents Success, Happiness and Contentment. The other pictures Poverty, Failure and Misery.

Which line are you working toward? The first line is the paying teller's line, and it only needs thrift to join it. It is the happiest club in the world, and the easiest to join. Start a Savings Account today—even as little as a dollar will do it—and you will have taken the first step toward enrolling in the Line of Contentment.

The last may be easily attained by thriftlessness, carelessness and lack of ambition, and it already contains many men who once were counted successful, but who drifted down to the Bread Line.
