OBITUARY

NELSON—Lind Nelson, well-known citizen of Medford for the past six years, and former prominent resident of the state of Nebraska, following a long illness died at his home, 721 Bennett avenue, Saturday, Sept. 29, aged 68 years, 2 months and 17 days.

The funeral services will be held Wednesday afternoon at 2:30 o'clock from the family home on Bennett avenue, with Rev. Harry Tucker officiating, and under the auspices of the Masons and Odd Fellows. Burial will be in the Odd Fellows' cemetery.

Mr. Nelson was born near Marma, Sweden, July 12, 1849, where he lived until the spring of 1898, when he came to the United States, settling near Springfield, Ill. Four years later he moved to the state of Nebraska, where he lived for about 40 years, being one of the earlier settlers of Gage county, and taking an active interest in the political and business welfare of his community.

Mr. Nelson, as one of the most prominent farmers and stockmen of Nebraska, held an important place in the business and political life of the state, filling most efficiently different offices of public trust, four years as sheriff of Gage county and as county supervisor a large part of his residence there.

In 1911 Mr. Nelson retired from active business and moved to California, remaining one year. From there he came to Medford, Ore., where he since made his home.

In January of this year he suffered an attack of lagrippe, which gradually led to serious complications, and finally caused his death.

Mr. Nelson was of the Lutheran faith and was a member of the following fraternal orders: Masonic, Odd Fellows, Modern Woodmen, and Ancient Order of United Workmen.

His life was marked by a spirit of untiring energy and devotion to home and family, and during his long illness he bore great suffering with heroic patience. The foreign-born, he was a true American and has

LARGE FUNERAL GIVEN SINN FEIN LEADER, DUBLIN

DUBLIN, Oct. 1.—The funeral procession which followed the body of Thomas Ashe, the Sinn Fein leader who died Thursday, from the city hall to Glasnevin cemetery yesterday was extremely large, exceeding in numbers even that of the Parnell funeral in 1891. The procession was very well organized and perfect order was kept.

The principal contingents were Irish volunteers, the Gaelic Athletic association, the Gaelic League, the Liberty Hall Citizen army and the Dublin trades unions. There were also many representatives from women's clubs. More than a dozen bands played patriotic airs. The Irish volunteers wore their uniforms and carried Hurley sticks, altho these were offenses against recent military regulations. There was also a firing party at the grave.

The government authorities did not interfere with the demonstration. The embittered feeling over the death of Ashe was much allayed by a change in the policy of the treatment of prisoners under the defense of the realm act. The prisoners are now allowed to associate together and are separated from the ordinary criminals. They are also allowed to receive food from the outside. The hunger strike was abandoned when the Lord mayor carried this decision of the government to the prisoners.

TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Medford readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

Mrs. J. H. Gustin, 521 S. Grape st. Medford, says: "I have been taking Doan's Kidney Pills whenever I have felt the need of a kidney medicine for several years and I have always received the most satisfactory results. My kidneys seem to be my weakest spot and every little cold or strain affects them and my back becomes weak or lame. After I have taken a couple of boxes of Doan's Kidney Pills, my kidneys become normal and in every way, I feel as well and strong as ever."

BANGING OF GUNS SIGNALIZES OPENING PHEASANT SEASON

The banging of shotguns was heard all over the valley today from early sunrise on, as October 1 was the opening of the ten days' open season for China pheasants and the thirty days' quail season, and hundreds of hunters from the city and valley were out to enjoy the sport.

Monday was also the opening of the duck hunting season, and a large number of sportsmen left the city to hunt ducks, not a few going over into Klamath county and northern California for that purpose.

Among the many Medfordites who went after pheasants today were: Dr. E. R. Seely, Fred Stripp, E. H. Lamport, T. E. Daniels, John Peri, W. W. Williams, Edgar Hafer, Mose Barkdull, Otto Jeldness, "Doc" Wright, Chris Gottlieb, Michael McGurk, Fay Diamond, E. E. Scott, Grover Darnelle, A. B. Cunningham, Joe O'Brien, A. E. Reames and Dr. L. PUBLIC SCHOOLS OPEN FOR YEAR

The public schools opened for the year this morning and many homes were unusually quiet, and many were the lonesome dogs and other pets, as the hundreds of eager children crowded into the school buildings.

Monday was given up mostly to registering of pupils and assigning them to their seats and studies, and the giving of instructions for the purchasing of books and other school material. It will be several days yet before the annual confusion incident to the opening of school will have been straightened out and the teachers and pupils get settled down to the year's routine work.
