PYTHIAN LODGE HOST TO BROTHERS FROM CALIFORNIA

The Knights of Pythias held their first big meeting for the winter months last evening and it was certainly a gala occasion. The work put on in the Knight's degree was handled especially well by the new degree team, the King Pythagoras and the senate being especially impressive.

The Hornbrook lodge was invited to spend last evening with the Medford lodge, and the way they accepted the invitation marks them as a bunch of "dyed-in-the-wool" Pythians. The Hornbrook lodge, led by Jay Jacobs, chancellor commander, took Talisman lodge by storm. The spirit of fraternity truly reigned supreme.

After the work in the third degree was finished the local lodge and visiting brothers were entertained by the following artists: Bro. E. C. Root, violinist, accompanied by Fred Alton Haight, pianist, rendered the "Serenade" by Victor Herbert, in truly masterful style, answering to a hearty encore with a selection, "Arts and Flowers," by Sabani. Van R. Gilbert sang "Mammy's Little Coal Black Rose" in a highly pleasing manner. Frank Lindley entertained the crowd in his own inimitable way with a recitation comparing the boy that stayed on the farm with the favored brothers who were sent to college. L. C. Jaquette of Hornbrook kept the crowd in an uproar with a line of stories.

Grand Chancellor Harry C. Wortman gave a review of the work done by the grand lodge in the grand domain of Oregon the past year.

The grand chancellor paid Talisman lodge a rare compliment when he said: "If I could only hold one position I would rather be a member of our home lodge than to be grand chancellor of the state." Several of the legal lights were in attendance and responded when called upon "for the good of the order," among them Messrs. Thomas, Roberts and Neff.

After the high jinks, Chancellor Commander Ewing ordered the doors to the banquet room thrown open and the hungry Pythians were treated to a midnight spread.

Several of the Medford K. P.'s will visit the Yreka lodge Wednesday night, October 3, and from the looks of things the K. of P.'s are taking their place among the active fraternity orders of the Rogue River valley and vicinity.

QUIET BEGINNING FOR LIBERTY LOAN CAMPAIGN HERE

Altho the big drive to sell the second liberty loan bond issue of three billion dollars started Monday with great enthusiasm throughout the United States, there was no formal campaign opening in Medford. However, a number of inquiries were received at the banks pertaining to the sale of the huge bond issue, and several purchases were made.

The quietness of the opening drive here was due chiefly to the absence from the city of W. H. Gore, who is chairman of the liberty loan auxiliary committee for southern Oregon district. Mr. Gore, who is in Portland, where he is doubtless in consultation with the state liberty loan headquarters, will return to the city Thursday, and it is expected that with his return the local liberty loan selling drive will begin.

Medford banks have received the formal application blanks and advertising circulars pertaining to the second liberty loan. It is pointed out that the first liberty loan campaign in Medford started off very quietly and gradually warmed up, so no doubt is felt that Medford and the valley will subscribe liberally to the amount or over of their quota of liberty bonds.

In fact, it is predicted that the second issue of liberty loan bonds will sell here much faster than the first issue did, because of the 4 per cent interest these bonds will draw.

WEDDING BELLS

Married in Jacksonville, September 25, Miss Bell French to Lawrence Crawford, both of Talent, Or. After the ceremony the young couple returned to the home of the bride's parents, Mr. and Mrs. B. N. WILSON'S Closing Out Sale

GOOD PRICES FOR FRUIT IN PROSPECT

C. A. Knight of Medford, who is spending the summer in New York City, writes to L. A. Wakeman that the cause of the low prices realized by Medford pears is due to their arriving over-ripe. This fact is caused by the poor service rendered by the railroads which have taken as long as 26 days, when 8 or 10 days is the schedule in ordinary years. The delayed service has resulted in poor pricing service. Mr. Knight writes:

"I have been into New York City three times within the past few days to attend the auction sales of fruit from Medford and the northwest, and it has been arriving in rather bad condition, nearly all ripe and some of it hardly fit to use, but owing to the high prices for the past few days all kinds, even the ripe fruit, has been bringing fair prices. It is claimed here that owing to the dry season in the Rogue river valley the fruit is not holding up as it should. There is a good market for all kinds of fruit, and bids fair to continue so. Late pears and apples are expected to bring the highest price for many years. In fact, Mr. Day of Spoble and Day, who are old commission men long in the market business, told me this morning that he had never seen such a high market, and he also stated that in his judgment it would continue so for the balance of the season, which sounds good to the orchardists, who have had such a hard time during the past five or six years."

BUSINESS MEN ENLISTING IN ARMY

Two well-known young Yreka, Cal., business men enlisted yesterday at the Medford army recruiting office in the engineers' corps, forestry division, and left last night for Portland to take the physical examination. The new recruits are Henry J. Sheffer, who for some time has been in the grocery business in Yreka, and Conley Brown, who for several years has been a clerk in the Siskiyou National bank of Yreka. They came to

The city Saturday night with the determination to enlist rather than be drafted later on, and first visited Sergeant Weston, who then passed them on to Supervisor Erickson. Both the sergeant and the supervisor passed favorably on their qualifications, hence on Monday they enlisted.

Their reason for enlisting in the forestry division of the engineers' corps is that a number of other Yreka young men have already enlisted in that division and gone into service, including Charles R. Cooley, manager of the Yreka Lumber company, who enlisted last week.

Mrs. Brown accompanied her husband to Medford to enlist, and Mrs. Cooley came over from Yreka with them.

MEDFORD LIBRARY FUND

TOTALS \$308.53 FOR WEEK

Monday the war library committee sent a check to Portland of \$309.05 which represents the result of the week's campaign for the million dollar national fund to provide the various cantonments in the country with libraries. While this does not equal Medford's quota of \$500 it is regarded as a creditable showing and the

total will be increased through the week. Yesterday \$8.30 was received at the library, making a total of \$308.53 and it is probable that twenty-five or thirty dollars more will be collected before the campaign is completed.

To Relieve Catarrhal Deafness and Head Noises

If you have Catarrhal Deafness or head noises go to Heath's Drug Store, Haskins' Drug Store, Strang's Drug Store, Medford Pharmacy or West Side Pharmacy and get 1 ounce of Parmit (double strength), and add to it 4 pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Closed nostrils should open, breathing become easy and the mucous stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has Catarrhal Deafness or head noises should give this prescription a trial.
