In line with their plans to ultimately have one of the largest and finest herds of sheep in Oregon, Davy and Harry Rosenberg have purchased the largest part of Grisson Brothers' herd of Ramboulets, some 300 to 330 sheep, and will add them to their already big herd, numbering between 1600 and 1700, running on the range back of Roxy Ann. The Grisson brothers have been breeding the Ramboulets for the past 15 years, and the enterprising Rosenbergs are very proud of their new acquisition of blooded stock. Last week at the state fair they bought some other blooded stock for their herd.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

COUNCIL TALKS OF REGULATION FOR STREET BLOCKADES

Beyond passing the new ordinance regulating billiard and pool rooms and card rooms the city council session Tuesday night was colorless and only matters of routine were disposed of.

Informally the matter of Southern Pacific trains blocking the street crossings for long periods was discussed, but no action to remedy this situation was taken. However, it was generally understood that in the near future the council will pass a new ordinance to regulate the time that passenger and freight trains can blockade crossings.

The present ordinance was passed many years ago when the passenger depot stood on Haymarket square opposite the Nash hotel, and is a dead letter. The council will also take steps in the near future to erase other obsolete ordinances from the city records and replace them with up to date ordinances.

Dr. E. H. Porter and W. E. Phipps, members of the school board, called the attention of the council to the fact, as the board claims, that the city is charging the school district entirely too much money for the water used at the various schools. The matter was referred to the council water committee and City Water Superintendent Arnsperger for further discussion and adjustment.

Use Newbro's Herpicide IN TIME AND YOU WILL NEVER NEED FALSE HAIR

Wearing false hair is a harmless deceit of which many ladies are guilty. These women are all objects for sympathy rather than criticism.

Early neglect in the care of the scalp has caused the loss of so much hair that their personal appearance is sadly marred. To correct this defect they resort to artificial hair.

Early neglect in the care of the scalp has caused the loss of so much hair that their personal appearance is sadly marred. To correct this defect they resort to artificial hair.

Most ladies would resent any imputation of personal carelessness and neglect. And yet very many permit their natural hair to become so dull, brittle and lusterless that it looks no better than that bought at the store.

All this is as unfortunate as it is unnecessary. Hair that is unsightly or thin may usually be attributed to the destroying effects of Dandruff. This destructive formation shortly robs the hair of life, with the result that it finally loosens and drops out.

There is a preparation, sold and guaranteed by all dealers, the intelligent use of which will kill the dandruff germ. It cleanses the scalp of all accumulations and makes the hair shine with the luster of life and beauty. That remedy is Newbro's Herpicide, the Original Germ-Killer for Dandruff. In no way can you add more to your personal charm and attractiveness than by the use of this remarkable and well known scalp prophylactic.

On account of its astonishing merit and its delightful and exquisite odor, Herpicide finds users everywhere among all classes. It may be purchased in 50 cent and \$1.00 sizes at all drug stores and toilet goods counters. Applications may be obtained at the better barber shops and hair dressing parlors.

Upon receipt of 10 cents in postage or silver to cover cost of packing and mailing, The Herpicide Co., Dept. S, Detroit, Mich., will send to any address a nice sample bottle of Herpicide and an interesting booklet on the care of the hair.
