action to foreclose the lien of such certificate, pay in full all local assessments or installments thereof outstanding against the whole or any portion of the property included in such certificate of delinquency, or, he may elect to proceed to acquire title to such property subject to certain or all local assessments as liens thereon, in which case the complaint, decree of foreclosure, order of sale, sale, certificate of sale and deed, shall so state. If such holder shall pay such local assessments, he shall be entitled to fifteen per cent (15%) interest per annum on the amount of the delinquent assessments or delinquent installments thereof so paid, from date of payment.

In any suit to foreclose any lien for general taxes upon any property, a copy of the complaint shall be served on the Recorder of the city within five days after such complaint is filed. In any case where any property shall be struck off to or bid in by the county at any sale for general taxes, and such property shall subsequently be sold by the county, the proceeds of such sale shall first be applied to discharge in full the lien or liens for general taxes for which the same was sold, and the remainder, or such portion thereof as may be necessary, shall be paid to the city to discharge all local assessment liens upon such property, and the surplus, if any, shall be distributed among the proper county funds.

REASSESSMENTS.

Section 21. Whenever heretofore or hereafter the council has caused, or may cause, any street or alley to be improved, or has caused any sewer to be laid, and has, or may hereafter, assess or attempt to assess upon the property adjacent thereto or benefited thereby the cost of such improvement, and said assessment by reason of any failure to give any requisite notice or by reason of any other defect in the proceedings leading up to the making of such improvement or the levying of such assessment, shall be declared to be void by any court, or if the council shall be of the opinion that said assessment is illegal or doubtful by reason of any such omission or defect, said council may cause the cost of said improvement to be re-assessed against the property adjacent to said improvement or benefited thereby, in the following manner:

The council shall declare by resolution its intention to make such reassessment, which resolution shall briefly describe the improvement and shall declare the intention of the council to assess the cost thereof upon the property adjacent to said improvement, or benefited thereby, describing in said resolution each parcel of property which it intends so to reassess and the amount it proposes to assess against each parcel. Such resolution shall fix the time and place for holding a meeting of the council at which all protests against re-assessing the costs of said improvements against adjacent property, or property benefited thereby, shall be heard. Said resolution shall be published, the date of the first publication of which shall be at least ten days before the date of said hearing.

At said hearing the council shall consider all protests against the levying of such assessment, and if after considering the matter the council shall determine that the property adjacent to said improvement or any other property has been specially benefited thereby, it may cause the cost of said improvement to be assessed against said adjacent property, or other property specially benefited by said improvement to the extent of the special benefit so received by said property therefrom: Provided, however, that no parcel of property shall be so assessed unless the same has been described in the notice of intention to make reassessment above provided for, and no parcel of property shall be assessed for a greater amount than the amount designated therefor in said notice. In determining the property to be assessed and the amount to be assessed against each parcel of property, the provisions of the charter and ordinance for making an original assessment shall be followed by the council in making such re-assessment.

The council shall have the right to assess any parcel of property for said improvement, notwithstanding the same may not have been assessed in the original assessment proceeding, in case the council find said property specially benefited by said improvement, and the provisions of the charter relating thereto otherwise gives the council power to assess said property. In making said re-assessment, the council shall distribute the cost of said improvement between the various parcels adjacent thereto or benefited thereby in proportion to the benefits received or the frontage of the property on said improvements, as the case may be, assessing no parcel any greater amount than the actual benefit received by it from said improvement, but the council shall enter no assessment against any parcel of property which has been previously assessed and which assessment has been paid. Any existing assessments so reassessed shall be marked "Cancelled by Reassessment." Said reassessment shall be declared by ordinance and entered in the city lien docket, and collected in the same manner as the original assessments shall be collected under the provision of this charter and the ordinance of the city.

Section 22. The common council shall pass all ordinances and resolutions necessary and proper to carry out the provisions of this article.

Whenever the common council has made, or shall hereafter make, any assessment against property for any local improvement authorized by law and this charter, and has in making such assessment acted in good faith and without fraud, or shall hereafter act in good faith and without fraud, the said assessment shall be valid and enforceable as such and a lien upon the property upon which the same purports to be a lien; and all assessments heretofore or hereafter made by the city authorities in good faith and without fraud, and all improvement bonds heretofore issued and intended to be refunded by the refunding improvement bonds mentioned in section 6 hereof, are hereby declared to be valid and binding obligations and in full force and effect until paid or refunded as provided herein, and said assessments are and shall be collectible as provided in this article.

ASSESSMENTS PAID BY JOINT OWNER.

Section 24. Whenever any local assessment, or installment thereof, shall be paid, or any certificate of sale therefor be redeemed, or any judgment therefor be paid by any joint owner or any property assessed for any local improvement, such joint owner may, after demand and refusal, by an action brought in the circuit court, recover from each of his co-owners the respective amounts of such payment which each such co-owner should bear, with interest thereon at ten per cent (10%) per annum from the date of such payments, and costs of the action, and the joint owner making such payment shall have a lien therefor upon the undivided interests of his co-owners in and to such property from date of such payment.

Section 25. Whenever any property situate in the city shall be offered for sale for general taxes, the city shall have the power to protect the lien or liens of any local assessments, outstanding against the whole or any portion of such property by purchase or otherwise.

ACTS REPEALED.

Section 26. All acts and parts of acts of state law and all parts of the city charter in conflict herewith are hereby repealed; and all acts or parts of acts, either general or special, and all parts of the city charter in conflict herewith, are hereby repealed insofar as they conflict herewith or restrict the powers or duties hereby conferred upon said city or its Mayor or Council or other officers. Any acts or parts of acts, or parts of the charter, herein repealed which are re-enacted in form or substance in this act shall not be construed as new enactments, but as continuations and amendments of such acts or parts of acts.

When this act requires notice by publication, such notice shall be published at least once in a newspaper of general circulation in said city and published therein, but in case no newspaper is published in said city then the newspaper of largest circulation of said city therein and published nearest to said city of Central Point, except as otherwise in this act provided.

NOTICE TO BE MAILED.

Section 28. In all cases of assessments or installments thereof becoming due and payable, the city recorder shall mail to the owner of the property assessed a copy of the notice required to be published when the post-office address of such owner is known, but failure to mail the same shall not be fatal when publication is made.

ASSESSMENTS PAID IN ERROR.

Section 29. Whenever, through error or inadvertence, any person shall pay any local assessment, or installment thereof, upon the lands of another, such payor may, after demand and refusal, by an action in the Circuit Court, recover from the owner of such lands the amount so paid, and costs of the action.

NEW PAVING BASED ON PETITION ONLY.

Section 30. After this article shall become effective, the common council shall not have power to levy special assessments for paving hereafter to be made except upon petition signed by the owners, according to the records in the office of the county recorder, of property to an aggregate amount of a majority of the linean frontage upon the improvement to be made and of the area within the limits of the assessment district to be created therefor.

ACTS TO BE LIBERALLY CONSTRUED.

Section 31. The rule that statutes in derogation of the common law are to be strictly construed shall have no application to this article, but the same shall be liberally construed for the purpose of carrying out the objects for which this article is intended.

DISCHARGE OF LIENS.

Section 32. Entries of payments of assessments and of installments, interest and costs made under the provisions of this act shall be made in the consolidated lien docket aforesaid as the same shall be received, with the date thereof, and such payments made and entered in said consolidated lien docket shall be and operate as a discharge of such lien, to the amount of such payment, and from the date thereof.

ENFORCEMENT OF SUBSEQUENT LIENS AUTHORIZED.

Section 33. The enforcement of the lien of any installment or interest payment by any method herein authorized shall not prevent the enforcement of the lien of any subsequent installment or interest payment by any method herein authorized when the same shall become delinquent.

PENDING PROCEEDINGS.

Section 34. If any proceedings shall be pending for the enforcement of the lien or liens of any delinquent assessment or assessments for paving or sewers at the time this article becomes effective, the city may proceed with the enforcement of any such lien or liens under the provisions of law and the city charter and ordinances of said city existing at the time of the taking effect of this article, or under the provisions of this article.

OUTSTANDING CERTIFICATES OF SALE.

The holder or holders of any outstanding certificate of sale heretofore issued for special assessments for paving or sewers, may proceed with the enforcement of the liens of such assessments under the provisions of law and the city charter and ordinances of said city existing at the date this article becomes effective or under this article.
