EAGLE POINT EAGLETS

By A. C. Howlett

Saturday afternoon after I had written my letter for the Medford Mail Tribune Mr. and Mrs. John Perl, republican candidate for coroner, and their son Frank and his chum, Willis Stockam of Medford, and Harry Smith and Lloyd Stanley called for supper.

Sunday we didn't have the usual number here for dinner, but among the guests were H. G. Mitter, W. A. Bishop and Guss Plymate, of the S. O. Traction company, Jacksonville, Mr. and Mrs. Geo. Wensley, Mr. and Mrs. William G. Knighton, Mrs. Bert Bryant and her daughter Kitara, Joe Mooman, Jay Pitzer and Miss Margaret Riley, Harvy Smith, V. S. Anderson.

When Itching Stops

There is one safe, dependable treatment that relieves itching torture and skin irritation almost instantly and that cleanses and soothes the skin. Ask any druggist for a 35c or \$1 bottle of zemo and apply it as directed. Soon you will find that irritations, pimples, blackheads, eczema, blotches, ringworm and similar skin troubles will disappear. A little zemo, the penetrating, satisfying lipo, is all that is needed, for it banishes most skin eruptions and makes the skin soft, smooth and healthy.

derson, Mr. and Mrs. J. A. Anderson of Ashland, S. S. Bullis, Charley Bacon, wife and two boys and sister-in-law, Mrs. Roy Davis, E. W. Anderson of Copper, Calif., of the Blue Ledge mine, and Mrs. Frank L. Watkins.

The Antelope Red Cross society gave a dance on Saturday night in Harvey Carlton's barn and the report comes to me that there was a fine attendance, a good time and everything passed off pleasantly until time to set the supper, when it was discovered that some scallawag had poisoned a nice eake that had been donated for the occasion, but they had sufficient for all. The receipts were \$53 and one-half was turned over to the Eagle Point Red Cross society and the other half to the Lake Creek Red Cross society. If the ladies in the rest of the country are doing as well as they are doing in and around Eagle Point there will be no danger of our boys at the front suffering from the necessities of life.

The little son of Floyd Pierce while riding his bike Sunday night, going down the street, ran into Cheney Horey's little boy. He had just come out of his grandfather's confectionery store and stepped into the street when the bike struck him, knocking him senseless. He was picked up and carried to Dr. Holt's residence and soon restored to consciousness. There was no serious damage done, but it should teach bicycle riders to use a lamp at night, especially when they are going so fast.

Mr. and Mrs. Fleming of Chicago, Ill., and J. Draper of Seattle, Wash., came in on the P. & E. Monday morning and went to Trail with Henry Trusty, the E. P.-Tersist auto stage driver.

J. D. Culbertson and his daughter, Mrs. F. L. Chitwood of L. C. were doing business here Tuesday.

Mrs. A. G. Florey came out from Medford Tuesday on the P. & E.

Rev. Driver, the traveling evangelist who is here with his chapel car is still holding services in the church. On Sunday and Sunday night he had good congregations, especially on Sunday night, when the house was well filled; on both occasions his talks were appropriate to "Mother's Day." He is a very pleasant speaker and so far as I can see is in a fair way to do good in this community. He expects to remain here until June 1.

By reason of the foregoing facts an emergency is hereby declared to exist and it is necessary for the immediate preservation of the peace, health and safety of the city that this ordinance shall be in full force and effect immediately from and after its passage by the city council and approval by the mayor.

Passed by the city council this 23rd day of April, 1918, and signed by me in open session in authentication of its passage this 23rd day of April, 1918.

Approved by me this 23rd day of April, 1918.
